

Cylinda Whitted Wins Award

Bruce A. Austin baagll@rit.edu

6 May 2002

Congratulations to Cylinda Whitted, PTC Senior, for winning one of two awards from the RIT Women's Council for Outstanding Female Senior. The awards are given to honor women who have achieved unusual success while overcoming special adversities. Cylinda graduates this month with two degrees, one in PTC and one in Information Technology. This is an unusual achievement indeed, perhaps the first of its kind -- and Cylinda deserves our special congratulations.
