

PTC Students Publish “Beyond the Classroom”

Bruce A. Austin baagll@rit.edu

9 January 2003

Three PTC students contributed to the writing, editing and design of Beyond the Classroom, a quarterly newsletter. The six-page, full color newsletter was edited and designed by Steven Rokitka; Steve also wrote three articles for the newsletter. Andrea Ervay and Kavya Yadav each contributed an article. Congratulations to Steve, Andrea and Kavya for their excellent work! Copies of the newsletter are available at the Department of Communication office.
