John-Michael Stern, a fourth year Professional & Technical Communication major, has had a feature article published in American Fitness magazine. Stern's essay on "Retro Walking" appears on pages 16-17 of the March/April 2006 issue.

The idea and pitch for the story was developed as part of Professional Writing, a course John-Michael took from Professor Patrick Scanlon. So interested in John-Michael's idea was the American Fitness editor, the story length was doubled.

No stranger to having his writing and reporting published, John-Michael was on Co-op at the Harrisburg (PA) Patriot-News last summer. Among other stories, he covered the LIVE 8 Concert in Philadelphia for the Patriot-News. Congratulations, John-Michael.
