15 June 2005

Yana S. Terukhova, a Communication & Media Technologies graduate student who is in the process of completing her thesis, will present her research at next week's Media Ecology Association Conference. Her paper, entitled "Digital Divide as a Reversal Consequence of the Internet: Assessing Power and Bias of Media Convergence on the Access to Global News," will be presented on Thursday, 23 June, at the Fordham University Lincoln Center Campus, New York City.
