13 July 2006

Yujiao (Stella) Wang, one of the earliest Communication & Media Technologies graduates, reports she recently moved to Milwaukee, WI. Following her graduation from RIT, Stella relocated to China where she was an Account Executive at the Beijing Office of Hill & Knowlton. There, she worked with international clients such as Proctor & Gamble, conducting marketing research, copywriting and project management. One of her P&G campaigns was awarded the "Most Integrated PR Campaign."
