Two summer Co-ops are available at the EDC Center for Media & Community in Newton, MA: an Editorial Internship and a Development Internship.

The paid internships commence in mid-June and end in September. CMC seeks candidates interested in the challenges faced by low-income and minority communities with limited access to technology and IT skills. The ideal candidate will have an enthusiasm for promoting and developing effective programs that can reach and engage these communities.

For more information about the internships and EDC, or to apply, send a cover letter, resume, references and a brief writing sample to Cedar Pruitt at [cpruitt @ edc.org](mailto:cpruitt@edc.org). Please be sure to reference Development or Editorial Internship in the email subject line.
