13 January 2003

The Monroe County Communications and Special Events Department seeks applicants for internship positions. These unpaid internships are available during the spring, summer and fall quarters; flexible scheduling is available. Interns will work closely with the Communication staff assisting in the coordination of press releases and press conferences, County Executive public appearances, monitoring media coverage, newsletter and other publications and advertising. To discuss specific details of the internship contact the Communication Coordinator at (585) 428-2380.
