

Research Study Participants Sought; \$20 to be Paid

Bruce A. Austin baagl@rit.edu

16 April 2007

Participants are sought for a research study investigating group sense making. The study involves chatting with people about uncertain situations via an instant messaging program. Participation in the study will take a little over an hour and volunteers will be paid \$20. The study will take place in the Liberal Arts PC Lab (06-3233).

The study is conducted by Dr. Nicholas DiFonzo, professor of psychology. For more information and to sign up for the study please contact Noah Stupak at njs4257@rit.edu
