Enhance your interviewing skills and get a leg-up on your Co-op competition. Thirty minute mock interviews with representatives from a local company give you first-hand experience and a 10-minute critique.

Offered by the Office of Co-op Education and Career Services, availability is limited and on a first-come first-served basis. Sign up in person with Jann Firpo at the Co-op Office Reception Desk, Bldg. 77, Bausch and Lomb Center or by telephone (585) 475-5597, 6905 (TTY) by noon Thursday, March 22.

Be prepared with two copies of your resume when signing up!
