

Wrestlers Climax Perfect Season

Tech's matmen virtually rewrote the record books as they wound up their first undefeated, untied wrestling season with a thorough white-washing of the University of Buffalo team recently at the UB gym.

Each match brought excited spectators to their feet time and again as the UB contenders fell one after another to a much superior team as the 36-0 score was tallied. This gives the squad a record of being the only unbeaten wrestling team in upstate New York.

Five new team records were set by the squad with the Buffalo win: (1) First time for 14 consecutive wins in any two-year period; (2) First unbeaten untied year with 10 straight wins for the season; (3) First time 36 points were scored in one match by RIT; (4) two calcimine jobs were handed out in one season for the first

RIT's 1953-54 wrestling team from L to R, Coach Fuller, J. Modrak, J. Cargnoni, (wrestling) J. Falardeau, D. Kecler, L. Ceriello (standing), J.

Hortop, J. Barclay, R. DiBiase, E. Ross, and G. Dotzler, sitting. (Moffa Photo)

time; and (5) A tie in the old record of five pins in one match.

Coach Fuller, who did such a magnificent job with his wrestlers, had nothing but praise for his team. In his words: "Example of an achievement that can only occur by hard work and diligent training plus the courage and determination to win regardless of the odds."

John Radocha, RIT's only senior, closed his wrestling career at Tech with a brilliant 4-1 decision over Buffalo's captain Don Worth. In three years of wrestling for his alma mater John has an enviable record of 20 wins with only four losses and one tie:

Doug Keeler won five points for himself and the team by forfeit in the second match of the afternoon. He wrestled an exhibition match anyhow and won by a decision.

The next five matches in a row fell to RIT by pins expertly demonstrated by "MO" Modrak,

Cagers Down Geneseo State In Five-Game Winning Streak

Basketball took on a new light in the latter part of the season as the RIT team came through and took the last five games.

Techmen closed out the season early this month as they scored their eighth win against Geneseo State Teachers College with a score of 70-54 at Jefferson High gym, RIT's home court.

Tech won games over Paul Smith's, Utica College, Ontario College, Oswego State, Oneonta State, Roberts Wes-

lyan, Potsdam State, and Geneseo.

Individual Records

High scorer for the Tech team during the 1953-54 season was Wilford Craugh with a total score of 236 points. His game average was 13.1 for 18 consecutive games. Captain Bob Klos was a close second with 232 points with a 12.8 average in the complete number of games.

Third in line was Gordy Thorp with 205 points with an average of 11.4 in 18 games.

In the Geneseo game the RIT basketballers followed until the end of the first quarter, then went ahead to hold a lead of 39-25 at the half. They held the big margin all through the last half. This was one of the few games that the RIT squad did not take a decided dip in the last few minutes of the game.

Dick Richenberg made 17 points to lead the team in scoring while Gordy Thorp came through with 15. Verne Gartland and Bill Craugh made 11 points each. Lenny Hagberg scored 16 points to lead the Geneseo squad.

The team scored 1338 points with 460 field goals and 418 free throws, with an average of 74.3 points per game. Their opponents scored 1352 points with an average of 75.0 per game.

Coach Leo Fox feels that the season would have been a lot different if his team had had a little more experience behind them. The very fact that they coped so well with the same teams that had beaten them earlier in the season makes this obvious enough.

Tech lost eight of its ten games by a total of 40 points, this means an average of only five points for each game. Considering the fact that there were only one senior, two sophomores and the rest freshmen, the coach feels that they did a very good job against an opponent with a great number of seniors.

Officials other than Coach Fox were: Harold J. Brodie, Faculty Manager; Dave Essrow, Student Manager.

(A detailed recap of the 1953-54 season will be published in the next issue.)

Dean Zeeb

John Lapomarda

Groups Elect "Campus" Candidates

Spring Weekend is coming and with it will come time for choosing RIT's Mr. Campus of 1954. This year, each of the four sororities on campus has chosen a candidate whom they feel should be honored by being named Mr. Campus.

This is the first in a series of two articles to appear in the Reporter reviewing the facts about the four candidates.

As Chairman of Interfraternity

Council, John Lapomarda has the responsibility of keeping "tigers from clawing each other to pieces." It is in this capacity that he excels. The friendly attitude of rival fraternities on campus this year is ample proof of his ability.

Acting as a mediator is by no means John's only job. He is also pledge chairman for the pledge period of Gamma Phi this spring. Other positions that John holds are assistant editor of the Typographer and senior member of Student Council.

John is a resident of Seneca Falls, N. Y. where he attended Mynderse Academy. At prep school, John was a member of Student Council and a varsity football letterman.

At RIT, John is studying as a senior in the Department of Printing.

Although he is usually hidden by a camera, Dean Zeeb is quite a man about campus. A senior in the Department of Photography, he is an active member of Gamma Phi and Delta Lambda Epsilon fraternities and the Camera Club. He is also the hardworking Photo Editor of the Reporter.

Dean is studying Photographic Journalism and his job as Photo Editor supplements his book learning. His decision to become a photo journalist stems from his high school days in Grosse Pointe, Michigan where he was the editor of the yearbook, staff member of the school newspaper, and a member of the student council.

Dean's great popularity comes from his ability to get along with people and his cheerful and friendly attitude toward others.

New List Nets Seventy-two

Seventy-two students.

Yes, 72 students were the first ones to be honored by the Institute for scholastic averages above 3.25 in the first Dean's list ever published by RIT.

Representing nine of the 10 departments in the Institute, the list was compiled on the first semester grades of the full-time departments and on the first quarter grades of those departments that are working on the quarter system this year. The cooperative department submitted the grades achieved by those students on block.

Following is a list of the students who made the list.

(Continued on Page 6)

Lettermen Join Forces For Sports Night Fare

Varsity lettermen from all athletic programs at RIT joined forces March 6 to sponsor the third annual Sports Night at Jefferson High.

Proceedings got underway at 7:30 with Doris Britt leading a parade of athletes into the darkened gym and through the sports spotlight with her fiery baton.

Tennis Match Held

Following the parade was a rematch between the Pi Club table tennis finalists Johnnie Ordoeza, the champion, against his arch rival Ed Myers. Rita Prado then played several selections on her accordion.

A fencing exhibition by the men and women charges of Coach Floresque preceded a startling performance of skill by Poodles, a crack baton team under the guidance of Doris Britt.

Faculty Wins

Faculty members halted a sustained drive by the varsity basketball squad but managed with a slight amount of assistance of the scorekeeper, to stretch their undefeated string over the varsity by a score of 99 to 1.

Captain Chick DiBiase and Joe Falardeau kept laughs coming as they accentuated the unorthodox of mat performance as did a match, featuring two of the more stalwart women fencers at RIT.

The scene then changed to the adjoining gym where D. Jenner and his orchestra provided music for the dancing pleasure of all who attended.

SAC Head Tours

RIT craftsmanship has been taken to five colleges and universities in North Carolina by Mr. Harold J. Brennan, head of the school for American Craftsmen.

In an attempt to increase interest in art and design, Mr. Brennan has visited the following North Carolina schools: Davidson College, Davidson, Shaw University, Raleigh, East Carolina State, Greenville and Bennett College and North Carolina State College for Women, both of Greensboro.

Adding to his lecture, "Art And Design in Modern Life," he displayed craftsmanship and picture slides of students at work.

Mr. Brennan toured each school for two days under the auspices of the Association of American Colleges.

Informal Dance Set

Gamma Phi and Sigma Kappa Delta have just completed plans for the "Underworld Ball". The dance will be held on March 20, at 8 p. m. in the Hotel Rochester. The "Underworld Ball" is not a formal affair, and everyone is welcome. Wear anything you like. The dance will not cost very much, and it will be the first dance that isn't a formal to be held outside of the Eastman Lounge. There will be drinks and refreshments served at the dance. The two chairmen for the dance are Bill Hamlin of Gamma Phi, and Angie Palm of Sigma Kappa Delta.

EDITORIAL

How About You?

The inauguration of a Dean's List here at RIT is something that has been lacking in all the previous years of the Institute's history.

We of the *Reporter* staff feel that it is wise of the Policy Committee to recognize those students who in later years are going to carry the good name of the Institute into the business world.

Elsewhere in this issue of *The Reporter* the first List published by Dean Leo F. Smith is carried naming those students who are to be commended by achieving a grade-point average of 3.25 or higher.

A total of 72 students of the approximately 1,200 full-time day students are the first ones to be honored. This represents about 6 per cent of the student body. It is the feeling of this staff that for the first list this percentage is quite good.

A check of Dean Smith's office has disclosed that there is also about the same number of students throughout the Institute who enjoy the unenviable distinction of being on probation.

From a perusal of the list it discloses that there are some departments that have no students on the list from some classes. It is hoped that in future lists these departments will be represented and that there will be fewer students on probation.

Let's see if we can better our percentage for the next and have more classes represented.

Sportsters Do Terrific Job

Last Friday, Feb. 27, RIT's grapplers registered the first undefeated and untied season in the history of the Institute. Congratulations are in order for each individual member of the team, Roy Brubaker, manager, and Coach Earl Fuller, who molded a fine team and gave it the inspiration and fire to beat topnotch competition.

It is extremely difficult to select any specific person other than Coach Fuller for individual honors because of the splendid job that was done by everyone, but it is hard to pass without mention of two freshmen who were mainstays of the team, Jim Modrak and Jim Cargnoni. In collegiate wrestling circles it would be hard to find one who could anywhere near approach the records these young men held. Dual meets saw Modrak score 34 points against competition while he remained unscored upon. Cargnoni amassed 43 points against competition for a new individual record and had only two points scored against him.

If it were possible to maintain a national ranking for wrestling teams throughout the country, RIT would in all probability rank fairly high, at least in our way of thinking. We have a firm belief in this even though there is a great amount of difference in the nature of the competition throughout the country.

As just a sideline thought on how our wrestling team might rank with other colleges, consider the fact that RIT beat Waynesburg College and Case Institute of Technology. A few weeks back Waynesburg defeated Purdue University which ranks third in Big Ten competition. Case Institute is among the first three in Mid-Atlantic competition.

A job well done by all connected with the team!

Although the wrestlers took high honors in the sportsmanship circles at RIT this year, the basketballers also did a good job. Although Coach Leo Fox started with almost an entirely new team he took almost half his games. If the team had just a little bit more experience you can bet they would have taken most of the others too.

The spurt at the end of the season merely demonstrated a good team finding themselves and learning how to work out of a tight spot when they got in one.

Bill Craugh did a very good job and scored a total of 236 which, when starting out in his freshman year, is a very good show. Bill led the team in scoring and played just about as long as anyone on the squad.

Besides the regulars that are going to be with the team next year we have at least two who should make a good showing next year. They are Dave Murphy who played a short time in three games this year, and Ronald Fitzpatrick a former Syracuse University player.

PARADE OF OPINION

Choose a Better Situation—Or Is It Circumstance? . . .

At Syracuse University, New York, there's a campaign underway to stop coeds from smoking while on the move across campus.

Says the *Daily Orange*, student newspaper: "The type of woman who walks with a cigarette dangling from her lips is not the type to be found on the Syracuse campus or that Syracuse coeds would care to be associated with. Cigarette smoking can be a graceful and complimentary habit for a woman—in the proper circumstance and situation. The proper circumstance and situation is not when hurrying across campus between classes, skirt-tails flapping in the wind."

Yale recently published a brochure entitled "A Challenge for Yale and You." It divides recipients of philanthropic gifts into four categories. It suggests the following distribution in giving for both individuals and corporations:

- I. Religion (your own church, for local, national and missionary purposes) . . . 30%
- II. Education (schools, colleges, universities, scholarship funds, libraries, research, etc.) 30%
- III. Community Services (Community Chest, Red Cross, hospitals, safety councils, health, welfare and recreation agencies) 30%
- IV. World Services (church relief funds, CARE packages, and other agencies for relief and reconstruction) 10%

Dear Ed. . .

Editor, *RIT Reporter*:

In the last few issues you have mentioned the manner in which the students have been abusing the Eastman Lounge. The students do not seem to realize that they have brought this matter to a very serious point. The administration has warned that unless improvements are made immediately, the lounge may be taken away and used for some other purpose. With the scarcity of space at RIT it is very dubious that we would get it back.

Three or four years ago we had a very active student group who fought long and hard to acquire a lounge. It is up to every student at the Institute to protect this lounge—out of respect to those who worked so hard to acquire it and for the benefit of the students of the future.

Yours truly,
A CONCERNED STUDENT.

The Disappearing Road . . .

Three forum speakers at Washington State College must have set some sort of record in collegiate circles last month when they reached an agreement on McCarthyism.

Two prominent townsmen and a professor found little to argue about the Wisconsin senator. All three speakers thought he was doing a fine job. An overflow crowd heard the trio tell why the senator was right in his activities, and the YM-YWCA, which had sponsored the forum, promised the other side a chance to air its views the following week.

Commented the *Washington State Daily Evergreen*: "All three seemed to have the idea that if you aren't for McCarthy you're against him, and if you're against him you're a deluded dupe of bomb-throwing conspirators, if not a conspirator yourself. This sort of stand takes the middle road right off the map. . . . This single minded philosophy is not a healthy one. It can leave the way open for tyrannies of another nature, as always happens when government by the many breaks down."

Censorship Blues Sing Out From the South . . .

At Tulane University, the *Hullabaloo*, student newspaper, has received a letter of "reprimand and admonition" from the student council because "opinionated material" was published without the consent of the paper's faculty advisers.

The council voted unanimously to admonish the paper on the grounds that it had violated one of the amendments of the student constitution—an amendment that requires the editors of the *Hullabaloo* "to meet with their advisers each week of publication before the final proof goes to press."

"This is exactly what the *Hullabaloo* did," replied editor Robert Warren. "The usual editorial material was seen and discussed." But the article to which the council objected was not discussed, Warren said, because it was written "on deadline" after the advisers had approved the editorial matter.

The "*Hullabaloo* senses in the council letter a direct threat of censorship," Warren said. "This fear results from the last line of the letter which warns to 'well-consider the welfare of Tulane in all (your) efforts to bring about the best in college reporting.' We ask: Who is to judge the intent or competency of our articles? The council or the *Hullabaloo*?"

Tech SPEAKS

JON POWNALL
Reporter-Photographer

THE QUESTION

Do you feel that the rules and regulations at the girls' dorm represent a mature attitude?

Gail Crannell . . .

Art and Design Freshman:

Yes, the girls in the dorm should approve of the rules because they were set up by a council of girls from the dorm. They are old and mature enough to realize their responsibilities and should own up to them.

Dick Ryan . . .

Mechanical Freshman:

I believe in free rights for women. Most of the girls at K.G. are mature enough so that the regulations are needless.

Janet Miller . . .

Commerce:

Yes, I feel that the rules are mature and properly administered. They are made by representatives of the dorm and are fluid enough to take into consideration exceptions when they arise.

Anoumous . . .

Photography Senior:

Though not directly, the rules are very much the result of parental pressures. The lives of RIT women are over-regulated by a suspicious minority.

Clubs Will Strive to Win Spring Weekend Trophy

By JO ITALIANO

Thus far, we have about a little bit of everything concerning Spring Weekend, except for one of the many reasons, for this widespread activity, the Spring Weekend Trophy. It is the one thing that quite a few of us have our eyes on. It is the one thing that each organization is keeping its fingers crossed for. It is the chief reason why we are all racking our brains, trying to think of something ingenious that will take us a step nearer to it, something stupendous, that will put it right in our laps.

Trophy, the Reason

Yes, the trophy is one of the paramount reasons for all of this hustling and bustling, because it is to be awarded, April 10, the Saturday night of Spring Weekend, to the organization that contributes the most to Spring Weekend. All of us would be willing to give our eye teeth to have them announce our club or our sorority as the recipient of the Spring Weekend Trophy of 1954! Think of how thrilled and honored we would feel, as our president went forward to accept the award. The thrill will be long lived too, for the winning organization will have its name inscribed on the huge 36 inch trophy which will be kept and displayed by the Institute. A smaller one will be presented to the winning group to be displayed, as they see fit. Yes, we'd all like to have that trophy for our club, but one thing is sure, we won't get it unless we really work for it. Every detail will be taken into consideration by the judges. The group of judges in comprised of both the faculty and students. They have been given score sheets, and they will give credit only where credit is due.

Score Sheet Info

The score sheet is divided into different categories, the first of which is "Pre-weekend Advertising." This includes any advertising that takes place before Spring Weekend such as posters, leaflets, rallies, and publicity stunts.

The second category is "Friday Night". The main thing here, is

the booth sponsored by the organizations. If a booth is put together haphazardly, and does not show signs of time and effort, it will not be given too many points. The club will be judged on co-operation, and how they go about acquiring the materials with which to set up their booth. The money turned in to Spring Weekend, Friday night, will also be taken into consideration, for this is an important item to the Committee. The money taken in on Friday night, helps to pay for Saturday night, so the success of the Formal depends very heavily on what happens Friday night. Saturday morning, each group will appear, to clean up its own area. How well and how neatly it is done, will be an important factor in gaining or losing a few points. The highest number of points to be scored is 100.

There are the clues on how your organization can win that beautiful trophy. Get to work and see if you can chalk up 100 points.

The girls got into the act last Friday at Sports Night, as is shown by June Johnson as she gives an airplane spin to Joe Falardeau of the RIT wrestling squad. Of course, the girls won. [Curtis Photo]

Edwards Offers Experience

Edwards Department Store in cooperation with the Art & Design Dept. will continue the program started last year of employing each senior for a full week in the advertising department. The seniors thus get valuable work experience that gives them an insight into the problems and conditions in which they will apply the knowledge and skills learned at RIT, before they are graduated.

Retailers Survey Shoppers

Finding out more about customer's shopping habits in the downtown area of Rochester was a project of Retailing students from Feb. 1 through Feb. 12. About 600 customers were interviewed during this period.

James Morris, senior, coordinated the survey and prepared the questionnaire which was used in the interviews. The study is being conducted under the direction of Mr. Kenneth Fladmark, a faculty member of the Retailing Department.

The questionnaire must be tabulated and the data analyzed, but the department hopes to find out some concrete information as to the shopping habits of Rochester customers.

For dinners and luncheons let's go to the

IT'S ALL A MATTER OF TASTE

No guessing games with cigarettes
When Luckies are your brand—
A cleaner, fresher, smoother smoke,
A taste that's really grand!

Phil W. Elder
Oklahoma University

When you come right down to it, you smoke for one simple reason . . . enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better . . . always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I've often been class president—
I'm called a real go-getter!
My brand is always Lucky Strike—
Why shucks, they just taste better!

Lillian Firestone
Barnard College

Pi Clubbers Tour Hammermill Paper

Under the guidance of Richard Beresford, 42 members of the RIT Pi Club toured the paper making mill and research laboratories of the Hammermill Paper Company on the shore of Lake Erie.

After driving through 180 miles of heavy rain the students were introduced to the paper making industry by a film, "The Great White Trackway," in technicolor. From eight-foot log to a piece of clean white paper, a miracle of modern industry was viewed with amazement by the club members.

Other trips planned by the Pi Club include travelling to Cleveland, Ohio to view the manufacturing of offset presses, chemicals, and equipment at the Harris Seybold Co.

LUCKIES TASTE BETTER CLEANER, FRESHER, SMOOTHER!

Othello Comes To Playhouse

William Shakespeare's immortal tragedy, OTHELLO, came to Rochester on March 9 in a setting the board would find familiar but in garb he'd never recognize.

For this fourth annual Shakespearean production Miss Chermuck, director and co-producer of the group is using the full "in-the-round" staging but foregoes traditional Shakespearean robes for modern dress. The cast is wearing contemporary clothing while it is enacting a tragedy that has provided vibrant theatre for over 350 years.

Playing the stage's mighty Moor, OTHELLO, is a newcomer to the Arena, towering Robert Blackburn. The 6' 4", 28 year old New Yorker has appeared in Shakespearean productions in New York, on the summer theatre circuit and on network Television.

Martha Miller, remembered as Ann in MAN AND SUPERMAN is cast as Desdemona, Othello's wife. Other top roles: Stratton Walling, currently portraying Mr. Roberts, takes the part of Cassio; Sarah Scott portrays Emilia; Russell Whitney as Brabantio. James Harwood playing his first serious role in a year is playing Iago, the most villainous of all Shakespeare's characters.

Shakespeare's tragedy was written in 1604 and still is one of the most gripping on the stage. It is wound around the love affair between Othello and Desdemona. When Othello returns from battle the crafty Iago tells him Desdemona has been false to him with Cassio. Othello murders Cassio, and learning he has been duped, slays himself. OTHELLO being, "a man who loved not wisely, but too well."

OTHELLO is scheduled for a two-week run, from March 9 through March 20, at the Arena Theatre, 12 Hoeltzer Street. There will be a special Sunday Matinee on March 14.

Winners of the prize at the Beaux Arts Ball were John White, Fran Howcroft, Joyce Tilley, and Don Nagle who came as characters from the story, The Wizard of Oz. A parade followed the judging of the costumes but due to the cold weather they only went a couple of blocks.

CAMPUS GREEK TALK

ΣΚΔ First of all, Sigma Kappa Delta would like to thank our brothers in Gamma Phi, for the terrific cabin party they gave in our honor on Feb. 28. We are sure everyone will agree that "a good time was had by all."

Plans for the Underworld Ball, sponsored in conjunction with Gamma Phi, have set the date of this gala Friday night affair for March 12, at the Hotel Rochester. We hope to see you all there!

Our thanks, also, to everyone who helped to make our cake sale such a complete success. Everything went but the crumbs, and a few of those, too!

Now that plans for Spring Weekend are well under way, we are happy to present as our candidate for the "Mr. Campus" title, Dean Zeeb, popular member of our brother fraternity Gamma Phi and photo editor of the Reporter. Congratulations Dean! In charge of the publicity for the Mr. Campus campaign for SKD is Ellen Clark.

Also newly appointed as general publicity chairman of Sigma Kappa Delta is Kay Markus, your new Greek Talk correspondent.

ΓΦ We would like to express our deepest sympathy to all the friends of the late Jerry Sheehan, who was a friend to many of us.

We have the honour of having three of our members being nominated for the title of "Mr. Campus". They are John Lapomarda, Dean Zeeb and Bernie Boston. Being on the Spring Weekend committee, Brother Boston is not eligible for the title.

Congratulations to Brother Jack Kaslaitis on his birthday, Feb. 19.

Well we've finally done it. We have made arrangements to have our annual "Underworld Ball" outside of the Eastman Lounge. The dance will be held at the Hotel Rochester, on Saturday, March 20. Get your dates early so that you can be ready for Spring Weekend. Stags are welcome to the dance.

Who stole the Wedding Bell? Come to Gamma Phi's booth at Spring Weekend.

ΘΓ Theta Gamma fraternity held a cabin party Feb. 29 at the Mill House in Powder Mill Park. The festivities consisted of baseball and football and later, dancing and singing kept all in good spirits till the evening came to a close.

Pledging is almost over and it is moving along quite smoothly. The usual hazing activities are keeping the pledges busy. They are also doing hospital work and other constructive projects.

The brothers are looking forward to Spring Weekend and have a mighty hopeful eye on that trophy to be given away on Saturday night.

ΔΛΕ Delta Lambda Epsilon held a dinner Tuesday evening, Feb. 9.

Twenty members were present to hear Mr. Neblette, head of the Department of Photography, speak on the future possibilities of a photographic fraternity both locally and nationally.

After Mr. Neblette's talk, a movie on the life of Edward Weston, well-known creative photographer, was shown.

Plans are now being made for a dance to be sponsored by Delta Lambda Epsilon on Apr. 30, and for a booth at Spring Weekend.

ΑΨ Alpha Psi has been quite busy recently, arranging for its booth at the Carnival to be held Friday night of Spring Weekend. Several committees were appointed to arrange various themes and then these themes were presented to the sorority for final choice. Also in connection with Spring Weekend, each sorority nominated a candidate for Mr. Campus. Alpha Psi's choice was John Lapomarda, a member of Gamma Phi.

Along with the rest of the sororities here at RIT, Alpha Psi is cooperating in forming a date bureau. We were put in charge of informing the Commerce Department about it and circulating the forms throughout that department. The girls seem to be behind it 100%.

ΦΥΦ Phi Upsilon Phi is very busy making plans for Spring Weekend. President Mary Ingersoll has appointed the following committees: "Mr. Campus Committee," Pat Putney and Jo Italiano, with Joyce Tilley heading the publicity. The Publicity Committee consists of Theresa Moisis, Jackie Purcell, Jean Bush, Barb Mahoney, Nan Haenel, Cathy Wright, Patsi Rebillard, and Millie Wukman.

Mary Lou Blum is chairman of the Phi U musical which will be presented on Friday night in the Eastman Assembly Hall. Her committee heads are: Sally Scott and Millie Wukman, costumes; Ailene Nelepa, publicity; Bev Roushey, Gail Crannell and Barbara Brill, props; dialogue by Joan Lenz, and choreography by Nan Chapman.

ΔΟ March has arrived and promises to bring a new assortment of work, plans, scurrying, and FUN for every DO member.

Plans are well under way—and rehearsals will soon be too—for our annual Minstrel Show. Angela DeRoma is in charge of the music and Nancy Foster the script.

Spring Weekend is another very important date. DO members have been giving some very serious thought to Mr. Campus for this year. It was a hard decision to make, but we have chosen a very deserving and outstanding candidate for this honor. Our choice for Mr. Campus is—JOHN WHITE.

Chatterbox

Hi fellows and gals! The winds of March were bound and determined that I wouldn't meet my deadline, but this roving reporter was not to be denied, so here I am, bubbling over with lots of news for everybody.

Jerry Podolsky got pinned, during the mid-semester break, to his girl from home. Life can be beautiful, can't it Jerry?

Don Nagle is transferring to the Food Administration Dept. next year, seeing as how he can cook so well. Chili is his specialty.

An award goes to Al Landsman for telling me "The Greatest Story Ever Told" while he was home on leave a few weeks ago. Al graduated from the Art School last year, and we all miss him quite a bit.

Congratulations are in order for Ailene Nelepa and Max Bellune! They celebrated their first year of being pinned Feb. 26.

Room 608 held a "Housewarming" for the sixth floor at KG the other night. They had quite a turnout. Miss Dotterer even showed up. Invited, of course!

Congratulations also to John O'Hare. He got pinned to a girl I'm sure most of the upperclassmen know, Annie DePuy. Annie was graduated last year and is working in New York.

Have you noticed that good looking mouton coat, that Joanie Ellsworth is sporting around? Good looking. Very good looking, indeed.

Say, who does the driver of a blue Olds ring the Bermuda Bells for? I hear them every night, just after dorm closes.

Kenny Dewirst made a trip to Tennessee recently. Can't help but wonder whom he visited down there.

The hypnotist was really great and Diz Hale didn't believe me after the show, when I went up to ask him about it.

The winds were so blustery that I couldn't face the cold any longer, so having completed my duty to you worthy students, I headed for the shelter of my room, where I knew I could find peace and quiet. (Wait till my roommates read this!)

Busily yours,
"CHATTERBOX"

"Choo Choo" Jardine Working in London

Don Jardine, former instructor in the Dept. of Printing and General Education Dept. who took a position with the Royal Blue Print Co. of San Francisco in 1952, is in London at present doing some technical trouble shooting for an affiliated British Company.

In letters received by friends at the Institute, Don writes enthusiastically about his work, the historical piles, and compares the merits of London and San Francisco fogs.

Tech Edges Oneonta, Beats Potsdam, Roberts

RIT edged out Oneonta State Teachers College, 81-79, in what was considered to be the most thrilling game of the season at Jefferson High gym.

After trailing throughout the game, the Rochester Institute of Technology quint tied the score with 2:45 minutes left and, a minute later, a basket by Vern Cartland gave the Techmen a win over heavily favored Oneonta State, 81-79.

The Red Dragons led the Techmen, 79-77, with 2:45 minutes to go. Tech's capt, Bob Klos, knotted the count with a set-shot. A rebound off the Oneonta board was grabbed by Tech's Jack Loughlin, who passed in turn to Gordie Thorp in RIT offensive territory. The ball came to Klos who set up Cartland with a pass which he converted into the winning basket.

Oneonta held a 25-18 margin at the first quarter and a 50-40 advantage at halftime. The Dragons were still on top going into the last quarter, 71-64.

High scorer for RIT was Dick Richenburg with 19, followed by Thorp with 17. High scorer for Oneonta was Bob Melmer with 19, while Fran Green netted 16.

Halftime score: Oneonta 50, RIT 40.

Beat Potsdam, 76-64

RIT won its fourth straight basketball game by defeating Potsdam State Teachers College, 76-64, Friday, Feb. 26 at Jefferson High gym.

The victory was the seventh for Tech this season against 10 losses.

Tech took the lead from the opening whistle and held it until midway through the final period when Potsdam fought to a 58-58 deadlock. However Gordie Thorp and Bill Craugh combined to regain the lead for Tech. Thorp netted two of his game's three baskets and converted a free throw while Craugh added four free throws. Bob Klos contributed a field goal and Dick Richenburg a free throw while Potsdam was held to two field goals and two free throws. Craugh finished as the game's leading scorer with 22 points.

RIT's JV squad closed out the season with a 10-2 record in the preliminary game with a 99-68 victory over Stromberg-Carlson.

RIT 19 13 17 21-70
Potsdam 11 18 17 18-64

Defeat Roberts, 85-78

RIT made its third consecutive win when it defeated Roberts Wesleyan basketball team 85-78, at Jefferson High gym, on Feb. 24. It chalked up the fourth encounter since 1951, Tech winning three out of the four.

The win gave Tech a six-won, ten-lost record with two games left to complete the season, both at home. Roberts has won seven and lost ten.

RIT took the lead in the middle of the first quarter, after Roberts had led, 14-13. RIT captain, Bob Klos pushed in a set shot boosting Tech to 15-14, and Roberts never threatened thereafter.

WEATHER VANE

BILL RUMMEL

Inside of a month, Spring Weekend, with all its gayety, romance and splendor, will be upon us. Your Spring Weekend committee has put in countless hours of thought and planning so that this year you may enjoy the greatest weekend ever sponsored at RIT.

Every member of the student organization has a stake in this Weekend. Every member has already contributed a dollar toward its success. Are you all going to relent now and lose what you have already given? Or are you going to throw your whole-hearted support into Spring Weekend and make it truly the best ever presented?

RIT women's capt. Clea Cooper, left, in the process of defeating Pat Driscoll of Keuka College. Keuka bowed to RIT by the score of 11-5, Fri. 26. (Moffa Photo)

Fencers Split UB, Canisius Matches, Slate Demonstration for Settlement

RIT fencers split victories with the University of Buffalo and Canisius College, Feb. 27, in a three-way match held at Buffalo. The Tech men's squad beat Canisius 14-12, and lost to Buffalo 17-10 while the RIT women's squad blanked Buffalo 16-0.

Buffalo took both foil and epee matches, 8-1 and 5-4 respectively but had to settle for a 5-4 defeat in sabre. Captain Irv Kaplan of RIT clinched the sabre bouts with three wins as did Carl Nelson in epee.

In the Canisius matches RIT won 3 out of 4 in foil, 4 of 5 in

epee, and 4 of 5 in sabre. Mitch Diamond led the attack against Canisius with three successive victories in foil.

The RIT women's squad put on a fine exhibition of fencing by scoring 64 touches to Buffalo's 12, and also registering their second win against one loss.

Fencers Show Techniques

Members of the Baden Street Settlement witnessed an exhibition in collegiate fencing when the RIT fencing team visited the organization's headquarters Feb. 24.

Coach Harold Florescue and 12 members of his team were present at the last meeting of the Baden Street parents' association. They demonstrated the use of the three major weapons: foil, epee, and saber. Coach Florescue filled in with a brief history of each weapon as the RIT fencers participated in actual competition.

Displaying their mastery of the weapons were Clea Cooper, captain of the women's team, who has placed third in the AFLA national invitational and Bernie Boston, last year's junior foil champion. Other RIT fencers participating in the exhibition were Barbi Brill, Pat Putney, Norm Kay, Carl Nelson, Art Borock, Irv Kaplan, Jim Gerhardt, Mike Agrecky, Stan Killian, and Bill Plunkett.

Interest in the RIT fencing team was aroused among the Settlement members due to the fact that all RIT home matches are held at the Baden Street gymnasium.

Dick Richenburg of RIT stops to let Gordie Thorp through to have a shot at the basket in the game against Potsdam. (Zeeb Photo)

Wrestlers Climax First Perfect Season...

(Continued from Page 1)

Jim Cargnoni, Gary Dotzler, Jerry Hortop, and Jim Barclay. Cargnoni's pin was especially welcomed because it gave him a new individual record with a total of 43 points tying Larry Wilson's (last year's captain) record. Wilson's 43 points were tallied in 13 matches when he was a freshman at RIT while Cargnoni only took 10 matches to add up the same number of points.

Two of the grapplers, Jim Modrak, a freshman from Cannonsburg, Pa., scored 10 season wins without a tie. His former high school team mate Jim Cargnoni, made it nine wins and one draw.

Two other undefeated wrestlers were Ross DiBiase and Jerry Hortop. DiBiase was injured after he had scored five consecu-

tive wins and did not finish the season. (DiBiase is hoping to be in action in the 4-in-one tournament at Case Institute of Technology, Cleveland, today and tomorrow.) Hortop came in late in the season to replace DiBiase and won three matches and tied one.

AN OUTSTANDING TEAM'S STANDINGS

| | Pins | Dec. | Pts. | Loss |
|-----------|------|------|-------|-------|
| Radocha | 3 | 3 | 24-3 | 1 |
| Falardeau | 2 | 3 | 19-14 | 2 |
| Modrak | 2 | 8 | 34-0 | 0 |
| Cargnoni | 7 | 2 | 43-2 | 1 tie |
| DiBiase | 0 | 5 | 15-0 | 0 |
| Dotzler | 6 | 3 | 39-3 | 1 |
| Barclay | 4 | 4 | 32-6 | 2 |
| Desiderio | 0 | 1 | 3-11 | 3 |
| Ross | 1 | 2 | 11-16 | 4 |

Wrestlers Swamp Edinboro, Alfred

Matches number eight and nine, earlier this month, between the Techmen and Edinboro State Teachers and Alfred respectively ended in victories for RIT.

Number eight, the matches against Alfred, left the wrestlers of RIT two to go before they would find an undefeated, untied season so they really poured it on until their scoreboard read 34 and the opponents had nothing but a whopping big goose egg.

One of the outstanding matches of the evening was between Ed Ross of Tech and a giant from Edinboro, J. Snyder. Snyder outweighed Ross by at least 40 pounds but Ross outpointed him to win the decision.

123-lb. class—John Radocha (RIT) won by forfeit.
130-lb. class—Joe Falardeau (RIT) dec. Walker (E) 9-4.
137-lb. class—Modrak (RIT) dec. Deluca (E) 6-0.
147-lb. class—Cargnoni (RIT) pinned Nielson (E) 4-21.
157-lb. class—Dotzler (RIT) pinned Marino (E) 1-50.
167-lb. class—Hortop (RIT) pinned Gido (E) 6-27.
177-lb. class—Barclay (RIT) pinned Eree (E) 7-43.
Heavyweight—Ross (RIT) dec. Snyder 3-0.

The very next night in the ninth match of the season against Alfred the squad turned in another victory with the score 24-6. This match marked the 21st meeting since 1928. Of the 21 matches RIT won 14, Alfred six and there was one tie.

The Jayvee squad did not do so well against Alfred as they bowed to a 34-0 score.

123-lb. class—Radocha (RIT) pinned Lopera (A) 5-20.
130-lb. class—Falardeau (RIT) pinned Battista (A) 5-20.
137-lb. class—Modrak (RIT) dec. Graham (A) 8-0.
147-lb. class—Cargnoni (RIT) dec. Dennis (A) 7-1.
157-lb. class—Dotzler (RIT) pinned Abbott (A) 5-10.
167-lb. class—Hortop (RIT) dec. Fitzgerald (A) 6-4.
177-lb. class—Giggs (A) dec. Barclay (RIT) 2-0.
Heavyweight—Pollicano (A) dec. Ross (RIT) 6-0.

Students Gather in Assembly Hall; Observe Movies and Applaud Speaker

In addition to seeing two movies, a capacity crowd of day and evening students and guests filled the Eastman Assembly Hall Feb. 18 to hear Mr. Ray Adams of the A. V. Wiggins Co. in Syracuse talk on carbide cutting tools and high velocity turning.

Mr. Adams, who represents the Jones and Lamson Co. of Syracuse, did much to clarify the movie and he pointed out very vividly how the cost of producing any machined part can be reduced by modern tooling.

The opening picture was an innovation since it combined a

very entertaining story of a young boxer, his girl friend and future father-in-law, who got a well-conducted tour of a steel plant and numerous technical details of the operation of the plant.

The meeting was presided over by President Donald Doerner, who took the opportunity to meet the officers of both blocks to make plans for the coming annual banquet.

The success of Thursday's meeting has encouraged the officers of the Mechanical Students' Association to plan another technical meeting on Wednesday, Apr. 7.

A group of senior Retailing students left RIT last Sunday to spend a week in New York City studying the markets there. The 30 students were accompanied by Mr. Fladmark. (Zeeb Photo)

Awards Dinner May 27 Climaxes Directors' Project

An Awards Dinner will climax a nine-session educational project sponsored by the Art Directors Club of Rochester for the seniors of the Art and Design Dept. Instructor Ruth Gutfrucht will coordinate this program which will have some of the leading figures of the advertising and art work in Rochester participating. The project is designed to give a comprehensive view of the operations of an advertising department combined with a work project.

The series started March 4, and offers each week a different program covering such topics as, "How the Advertising Art Dept. Operates," "Design of the Printed Page," "How to Make Words Work," "Advertising Illustrations," "Mechanical Layout," "Student Design Problems," "Rough Layout to the Comprehensive," "The Comprehensive to Finished Art," "The Printed Page," and a discussion on hints for job hunting.

The awards dinner will honor the best students and will be held on May 27.

Keeping Up With Institute Alumni

CLASS OF 1952

It was noted in the *Watertown Times* that Lewis E. Nixon (Art) will be the instructor in the art department which is being added for the first time to the school curriculum in Evans Mills, N. Y. Our very best wishes to Lewis in his new field of endeavor.

William Filkins (Art) has taken a position with the Bell Aircraft Corp. in Buffalo, N. Y. Bill tells us he is married and he and his wife plan to make their home in Buffalo.

Word has reached us that Ann Van der Weel (Art) has married and is living in Ohio. We do not have her marriage name. Perhaps this information will be forthcoming soon.

JoAnn Getz Summerson (FA) has a daughter, Marilee Dawn, born on New Year's Day, 1954. Address: Mrs. Donald Summerson, 1104 Olson St., York, Pa.

A recent letter from Ben Marcus (Pr) indicates that he is now in Ft Riley, Kansas. Ben has met Art Tuscher (Pr) at the camp. Address: "B" Battery, 35th Field Artillery Bn., 10th Infantry Division, Ft. Riley, Kan.

William Maas (Pr) was also originally in training at Ft. Riley, but is now in Germany. Following his graduation, Bill worked

Grad Wins Honor Medal

For writing his thoughts on "What America Means to Me" an RIT graduate, Robert F. Breese (Pr '51), has been awarded an honor medal by the Freedoms Foundation of Valley Forge.

The award was one of the first ones given to servicemen under the annual contests sponsored by Freedoms Foundation. Breese has recently been released from the service after serving with the 79th Engineer Construction Battalion which recently received a Meritorious Unit Commendation in Korea.

for F. W. Gregory in Buffalo. He trained at Indiantown Gap and Ft. Riley before traveling to Europe last November. No address given.

CLASS OF 1951

Jack Wolsky (Art) is continuing his studies at Buffalo State Teachers College. Announcement was received of his marriage to Gladys Mindlin, who was associated with the administration offices of the Rochester Public Library. The wedding took place in December. Our very best wishes to Jack and his bride.

Ernest Jewell (Art), it has been reported, is working with the TV station in Syracuse, N. Y.

Asa Nemler (Art) is with the Fellows Advertising Agency in Syracuse, N. Y.

Richard William O'Brien (Art) is assistant to the advertising manager, Remington Air Condition Co., Auburn, N. Y.

CLASS OF 1950

We have learned that Stanley Daino (Art) is doing art work for E. W. Edwards & Son, in their Syracuse store.

Jean Dorscheid Knapp (Mrs. James W.) (Art) informs us that her husband who is an Electrical grad of '51, is employed with the Otis Elevator Co. They have two

children, a girl, Paula, and a boy, Erin.

Virginia Norfleet (FA) has moved to Cleveland as the result of a promotion in the Stouffer Corp., with which she has been employed for more than a year. Ginny is head service bar supervisor in the new Stouffer's "Westgate" Restaurant, at Center Ridge & W. 210th, southwest of the city. Address: Westlake Hotel, Rocky River, Ohio.

Al Luxeder (Pr) recently visited the Department of Printing to bring us up to date on his current employment with the A. L. Garber Co. in Ashland, Ohio. Al is doing production control work and is very happy in his new position.

CLASS OF 1949

Beverly Hunt Harris (Mrs. Mark Jr.) (Art) is pursuing a course in visual arts at the University of Michigan in Ann Arbor.

Recent news from Roberta Gebhard Stadler (FA) and Pete (Ph) gives their address at 1925 N. E. 25th St., Apt. D. Oklahoma City. Roberta is food production supervisor at Tinker Field Post Restaurant, which serves 2,000 to 2,500 daily. Pete is technical representative for Anasco.

CLASS OF 1948

Betty Ackerman Huss (FA) has added a daughter, Margaret Elizabeth, to her family of two boys. Address: Mrs. Francis J. Huss, 3546 Atlantic Ave., Penfield, N. Y.

CLASS OF 1946

Millicent Stevenson Kalbfleisch (FA) has a new daughter, Wendy Lee, born in January. Her son, Kris, is three and half years old.

Address: Mrs. Jack Kalbfleisch, 152 W. Putnam Ave., Greenwich, Conn.

CLASS OF 1945

Kae Holdridge Didier (FA former student) has a new daughter, Bonnie Marie, born Dec. 27. Kae has two other girls and one boy, ranging up to near five years of age. Address: Mrs. Robert C. Didier, 40 Centre Terrace, Rochester 17.

Doris Taylor Hawkes (FA) has a daughter, born last fall. Her two sons are now aged two and five. Address: Mrs. Charles W. F. Hawkes, 353 McClurken Blvd., La Mesa, Calif.

Alice Fritts Fowler (FA) has a son, William Edward, born June 16, 1953. Her older boy, Thomas Robert, is 3 years old. Address: Mrs. Thomas W. Fowler, 20 Harding Ave., (Stephenville), Metuchen, N. J.

CLASS OF 1943

Mary Cunningham Birx (FA) writes enthusiastically of life in Schenectady, where her husband is regional manager for the Sonotone Hearing Aid Company. They have an eight-year-old son, Douglas, and a four-year-old girl, Karen. Recent visitors at the Birx home were Harriet Thayer Adams (FA) with her husband and her three-year-old daughter, Kathie, from Hilcomb, N.Y. Mary comments that they look forward to having another RITER as neighbor in Schenectady, none other than Myron DeHollander (ES 32-38), former alumni president. Address: Mrs. Donald W. Birx, 1016 Glenwood Blvd., Schenectady, N. Y.

Congratulations to Irene Ket-

New Jazz Reaches Alley

You may say a musician has led the full life, in his musical career, if he has played both at Carnegie Hall and at Birdland. At 23, Sperie Karas, a senior of the Juilliard School of Music, has played in both these opposite ends of the musical scale.

Right now, Karas seems to be playing both ends against the middle, with a new kind of music which is being heralded by the Tin Pan Allevcats as "Next Year's Jazz". Next year's jazz can be heard this year on a record that Sperie and nine other Juilliard renegades have just cut for MGM RECORDS: "MAMBO STRINGO" and "LOVE FOR SALE", MGM11618. From here you can already hear the "cats" purring.

Karas—he's the drummer in the band, though he has the Chopinesque look of a fellow who couldn't lift the stick—doesn't think his musical success is anything to talk about. "After all", he says, "I've been at it since I was ten". But, that coincidentally, was the age when he was almost out of it, because it didn't take Sperie's drum teacher more than two lessons before he notified the Karas family that their boy wasn't long for this musical world. He sold Sperie short. By the time he was eleven Sperie bowled over the teacher with "The Nine Pins", a band the dance committee of Ashland, Ohio's social clubs couldn't touch for less than two dollars a "Man".

"This band", as Sperie tells it, "had one great advantage over other new bands. It couldn't starve". That's because the kids rehearsed in a loft right above the Greek restaurant the Karas family ran. By the time Sperie was thirteen, the band had grown to a terrific fourteen pieces, and had already played theatre dates

and beach resorts all over Ohio. Sperie was not only named the leader of the 100-piece high school band, but was elected president of the senior class. Locally, you might say this was the equivalent of putting Fats Waller in the White House.

So by the time Sperie was out of high school he had enough offers from name bands to say, "Who needs college". But he got a scholarship at the Juilliard School of Music and that's where a new career began.

Pledges' Rare Mission Draws Petition Signers

"Completely destroying Rochester City Hall" was contained in a petition brought by two University of Massachusetts pledges of Alpha Tau Upsilon fraternity to RIT Feb. 21.

Members of A, B and C barracks were among 500 persons "required" to sign the petition allowing the two freshmen to return to their native Amherst, Mass.

One of the pledges gave his name as Art Elkins; his pledge brother was not identified.

Louis A. Steinkirchner, Kappa Sigma Kappa pledge, met the two boys on Main Street and Clinton Avenue and learning of the "mission," invited them to the RIT campus.

Space Travel Draws Nearer

By 2054 the United States will have become the United American Empire, consisting of all North and South America, one of three nations on earth. . . . Space travel will create new problems with a race among nations for the colonization of habitable plants. . . . Charts of insurance companies will show the average life-span to be 114 years.

These are some of the predictions made in manuscripts received to date from students in the \$2,000 collegiate science fiction contest sponsored by IF Magazine for undergraduates in the United States and Canada.

Early, pre-deadline response from students of 78 colleges is impressive and shows that young men and women of today

are eager to express their opinions and speculations on what their country will be like a century from now. Although none of the entrees will be judged until after the contest on May 15, a brief scanning of the manuscripts shows that most popular subjects are space travel, government, electronics and human relations.

Since professional writers attending colleges are barred, manuscripts will be judged for ideas and imagination more than actual writing skill, and students are to make their predictions in novelete form of approximately 10,000 words.

A copy of the contest rules may be had by sending a post card to IF Magazine, Kingston, N. Y.

Today's Chesterfield is the Best Cigarette Ever Made!

"Chesterfields for Me!"
Yvonne De Carlo

The cigarette tested and approved by 30 years of scientific tobacco research.

"Chesterfields for Me!"
John Payne

The cigarette with a proven good record with smokers. Here is the record. Bi-monthly examinations of a group of smokers show no adverse effects to nose, throat and sinuses from smoking Chesterfield.

"Chesterfields for Me!"
Robin Chandler

The cigarette that gives you proof of highest quality—low nicotine—the taste you want—the mildness you want.

Gala March Closes Dance

RIT students literally halted traffic at midnight March 6 when they paraded down Main Street in their gala costumes. The grand march was the climax to the third annual Beaux Arts Ball sponsored by the ASL and SAC students in the Victorian Room of the Hotel Sheraton.

Johnnie Hartzog and his orchestra provided music for dancing from 9 till the beginning of the grand march.

Six Selected for Match

Six members of the RIT fencing team have been selected to represent the Institute in the Intercollegiate Invitational Tournament for 1954.

Coach Fritz Florescue has chosen these fencers for the big match to be held in Buffalo this month: Stan Killian and Art Borock in sabre, Carl Nelson and Bernie Boston in epee, and Norm Kay and Jack Borton in foil.
