Ralph Marterie’s Band
Spring Weekend Choice

Marterie, “tops in pops!” Ralph Marterie and his orchestra will be one of the main attractions for the Spring Weekend festivities.

The Saturday night dance, featuring an “Up In Central Park” theme, will provide the setting for the music of one of the most popular dance bands in America, according to students and faculty.

The “Gay Nineties” will proudly boast of this top band on Saturday, April 21. With Spring Weekend coming up in the immediate future three sororities and the Students’ Drama Association have recently announced their candidates for the title of Mr. Campus.

Nominated by Alpha Psi is Bob Marterie, “tops in pops!” Ralph Marterie and his orchestra will be one of the main attractions for the Spring Weekend crowd April 21 in the Ritter-Clark gymnasium.

Ralph Marterie, virtually unknown to three years ago, is today the leader of the Down Beat Band and one of the most popular bands in America. The orchestra has won such records as “Skokiaan,” “Cha Cha Cha,” “Toy Tiger” and many other favorites. Marterie has more hit records to his credit than any other contemporary band. Billboard magazine has recently chosen Marterie from all the top flight groups as Headline Band of 1955, the band most likely to be a success.

Details Announced For Spring Photo Salon

Details of the annual spring Photographic Salon for all Institute students have been announced by John Alsup, president of the RIT Camera Club. Prints for the competition are now being accepted, with April 29 at 5 p.m. set as the deadline for submitting entries.

To enter this event, prints must be submitted to the club’s advisors, Mr. Robert Bagby or Mr. Edward Wilson, Room 308, Photo Dept. Entries may be made in three black and white divisions: (1) Portrait, (2) Pictorial, (3) Creative, and one Color Division.

Pictorial entries include landscape, architecture, and nature. Creative entries include abstract designs, street scenes, humor, emotional content, and anything unusual. Color entries may include any subject matter.

Following specifications must be observed: Mounts for black and white prints must be either 9 or 20 inches in the vertical dimension with no specific limit on the width. Prints on the mounts may be of any size.

In Spring(?)

Color entries may be either prints or transparencies. If prints, mount size must conform to those given for black and white. Transparencies may be of any size.

Ralph Marterie

Ball, a 2nd year Printing student. Delta Omicron has named Ralph Marterie their designee at the close of the winter quarter for those going on work block in both a tournament at Brooklyn and a debate clinic at Cursend.

At the 9th Annual Invitational Debate Tournament sponsored by Brooklyn College, RIT tied for eleventh place out of 44 participating colleges. Debaters in this tournament consisted of George Thielen and Dick Osborne for the affirmative team, and Dick Murt and Bob Ball for the negative.

The debaters finished with a six-winner loss record. Union College, Utica College, University of Pennsylvania, McGill University, Notre Dame and Drew University were the schools that RIT defeated.

This decision was forthcoming since 1924, Dies

Since 1924, Deaths claimed the life of Herman Russell, chairman of the Board of Trustees, and Mr. Russell held the present position of President of the Institute since 1941. Mr. Russell died at age 85.

Ralph Marterie’s Band

Spring Weekend Choice

As the result of a school wide student vote, RIT graduates in the two degree granting programs will be attired in caps and gowns at Convocation exercises this year for the first time in the Institute’s history.

This decision was forthcoming as the result of final action taken by the administration’s Policy Committee at its March 14 meeting. The committee gave their approval to the change as a result of the student poll taken at the close of the winter quarter for those going on work block in both a tournament at Brooklyn and a debate clinic at Cursend.

In voting conducted by the heads of each of the Institute departments, all students were given the opportunity of expressing their opinion on this perenn

The matter was first brought before the Policy Committee in February. It was agreed that some form of action should be taken and the student poll resulted. As far as is known at the present time the final decision will be made in the wearing of caps and gowns by graduates of either the A.A.S. or B.S. degree programs.

Mr. Robert Belknap, Policy Committee chairman, was in charge of conducting the investigation, stated that the expected rental cost of a cap and gown will be approximately $2.50 per student. Graduating seniors will be notified in the near future as to reporting for measurements for their gowns. It is expected that a deposit will be required at this time on the rental fee.

Color entries are to be held this year at the Eastman Theatre on Tuesday, May 26, at 10:30 a.m.

Forensic Society’s Seminar Postponed

The Forensic Society’s Economic Seminar, scheduled to be held earlier this month, has been postponed until Friday, April 11.

Mr. Ted Selver, A.F.L.-CIO Education Coordinator, will be featured on the 9 a.m. assembly in the Ritter-Clark gym. Other events on the day long program will again be luncheon visitors and guests, special meetings with economics classes, and a coffee hour.

Inter-Sorority Ball

Tomorrow Evening

Following a nautical theme, the annual Inter-sorority Ball, “Nights of the Seas,” will be held at the clubhouse tomorrow evening. Dancing the music of the Checker

In keeping with the theme of the ball, nautical decorations have been arranged by the members of Phi Upsilon Phi. Publicity Chairmen Ralph Marterie and Mrs. Robert Belknap have been guests of honor at the Ball. Mr. and Mrs. Howard Brown and Mr. and Mrs. William A. Mohr will act as chaperones. The Browns and Mrs. Mohr are instructors at the Institute.

Nursery Floor

The presentation of the Inter-sorority Scholastic Trophy will be a feature of the evening. This award will be presented to the sorority which has the highest grade-point average for the 1954-55 school year. At last year’s party the trophy was awarded to Delta Omicron.

Mr. and Mrs. Ralph S. Miller and Mr. and Mrs. Robert Belknap will be guests of honor at the Ball. Mr. and Mrs. Howard Brown and Mr. and Mrs. William A. Mohr will act as chaperones. The Browns and Mrs. Mohr are instructors at the Institute.

A Young Man’s Fancy...
College Newspaper-Pleasure or Pain?

"Great is journalism. It is not every able editor a ruler of the world?"—Carlyle.

If editors are rulers of the world, then college editors are future rulers of the world. Tomorrow's rulers . . . .

Working on a college newspaper is considered an extracurricular activity by everyone—except for those interested in college newspapers. To those students it is a very integral part of their curricular activity by everyone—except for those interested in newspaper work. To these students it is a very integral part of their curricular activity by everyone—except for those interested in newspaper work. To these students it is a very integral part of the students' life. It is pounding the typewriter until the letters all jumble together and you can't read them . . .

Today's editors . . . yesterday's reporters are future rulers of the world. Tomorrow's rulers . . . today's reporters.

It is having a chance to put your pen-work emotions in an editorial. It is finding a really BIG story in a little out of the way news beat that was assigned to you because nobody else wanted it. It is interviewing someone who has an aversion to seeing his name in print (a very rare species!). It is something special that comes only when your story makes the front page or you find a misspelled word in an editor's copy or someone says "the last Reporter" issue was tremendous! It is writing letters to the editor to ask why so few attended the Friday afternoon while you proof read the galleys. It is the sudden deep feeling that you'll never get a lead for your story. You've got it set for a seemingly endless hours in front of a silent microphine, when suddenly you stop on the way to your next class by someone whose name was spelled wrong in the last issue. It is knowing that Franklin Roosevelt and Ed Murrow and F. Scott Fitzgerald all worked on their college newspapers.

It is drinking coffee from paper cups in the middle of a Friday afternoon while you proof read the galleys. It is the sudden deep feeling that you'll never get a lead for your story. You've got it set for a seemingly endless hours in front of a silent microphine, when suddenly you stop on the way to your next class by someone whose name was spelled wrong in the last issue. It is knowing that Franklin Roosevelt and Ed Murrow and F. Scott Fitzgerald all worked on their college newspapers.

...It is the newspaper office itself—full of battered desks and young reporters and ancient typewriters and harassed editors . . .

...It is writing letters to the editor to ask why so few attended the last assembly—when you know only too well that the students who didn't go to the students who don't read letters to the editor . . .

...It is the newspaper office itself—full of battered desks and young reporters and ancient typewriters and harassed editors . . .

The Passing of a Laudable Era

As an era of improved athletic facilities and a promise of greater athletic prowess for RIT's basketball team arrives, the Institute sports scene, a door closes on an era in which Lee Fox held the reins as head coach of the basketball team.

For the past fifteen years, Mr. Fox devoted many hours to the development and improvement of RIT's cageers, with the laudable running of thirteen winning seasons. His last season, the coach's dream of an unbeaten team fell through. His last season, the coach's dream of an undefeated team fell through.

Mr. Fox resigned his post regretfully and it is with regret that the administration and student body take note of his leaving.

Many thanks Lee Fox from a grateful Rochester Institute of Technology.

Wake Up! Spring Is On Its Way!

Spring is sprung, the grass is ris, we wonder where the flowers is.

No, we're not turning to poetry as a sideline in this newsletter but are just reveling in the knowledge that spring has finally arrived.

Notwithstanding the fact that it would probably be rather hard to find a flower around this "concrete campus," there are other signs that "Lady Spring" is at last putting in an appearance . . car washing in front of Clark Union . . . the zing of baseballs smashing into player gloved hands . . . the newly inclined warm-up in Spring Street . . . noon hour relaxation in the sun at the side of the Bevier Building . . . the near at-hand-Eastwood Beach . . . Genesee Valley . . . limbering up with that number five iron as you vow that you'll crack the 80's this year at Durand-Eastman . . . a day's outing to the bowl of the newly appearing Spring Street Country Club.

All of these—and many more—indicate that the ever unpredictable Rochester weather is behind us and that RITers will be making the most of the new season.

Yes, it's nice to know that "spring has finally sprung!"

Is Yours a Narrow Little World?

The attendance at the Brotherhood assembly and seminars held at the close of the winter quarter definitely left something to be desired. The appallingly-small turnout at these events leaves one with the impression that most of the students are so wrapped up in their own little, narrow world that they are oblivious of the fact that there are other problems evident today which might be more quickly and easily placed on the road toward possible solution if a little concentrated thought and action were given to them.

An example of such one problem—and one that is very close to "home"—is that of the extremely inadequate recreational facilities for the children in the near-by neighborhood. This problem was brought forcibly to the fore. . . .

The fact that the Ritter-Clark building close-by, the suggested leadership of certain sponsored groups so as to provide free ice skating time for the area children was brought forth.

With the wealth of technical equipment and acquired know-how concentrated here at the Institute, students might undertake the formation of a camera club or the interested children how a newspaper is put together.

These are just a few of the many possibilities available for further consideration and investigation. If a program of some sort could be started, the meaning and importance of brotherhood might become more widely known and appreciated.

In the last issue we extended a welcome to new additions and developments on the Campus scene. In the shuffle of these developments two short lived clubs fell through and, what seems to us, important clubs have simply been vanishing from the scene almost unnoticed. We are referring to the Dance Club and the RITVets, the veterans club.

Dance Club. We followed with interest the birth of this club over a year ago. It was to have taken package and made you get with high and transforming spiritual victory over the worst that life can offer you.

"And—ye are (His) disciples?"—John 8:12.

Matmen Finish 3rd In 4-1 Tournament

RIT's wrestling squad finished its competition for the 1955-56 season as they took third place in the annual 4-1 Tournament held in Cleveland, March 9-10.

The invitational tournament is held each year for the colleges and universities that did not participate in the NCAA - tournament held later in the season. The purpose of this tournament, although it doesn't apply to RIT, is to provide tournament competition in preparation for the NCAA - tournament held later in the season.

Tony Palmiere, wrestling at 177 pounds, and who had been competing at 185 pounds, dropped his weight class, claimed second place for the team. Palmiere moved to the semi-finals after drawing a bye in the quarter finals and defeated his Ohio University opponent by a pin. Palmiere was defeated in the finals by Boch of Lock Haven State. RIT was the only one to mar Palmiere's undefeated record when he held him to a draw in regular competition.

Carl Johnson, wrestling at 132 pounds, won by a pin in the semi-finals and when he defeated his opponent from Findlay College, he lost in the finals to Don Viscovic of Ithaca College.

Hans Donzeller weathered rough going in the consolation finals, where in Rochester, stated that his reason for leaving his coaching job is that he felt that he would not have sufficient time to devote to RIT's expanding athletic program. He explained that it would be to the best interests of the team if he remained at Lock Haven University. The university has been the director of intramural sports the past fifteen years. He also has the distinction of being RIT's first undefeated season in 1945-46 when the Tigers to a 17-0 record in the recently completed 1955-56 season.

March 23, 1956  RIT REPORTER  Page 5

Fencers Win 4th Straight in Last Meet

RIT's fencing team swept its opponents in the opening round of the 1955-56 season as they soundly defeated 4-0 both the University of Buffalo and Syracuse University.

The win cinched a string of victories for RIT this year for the University of Buffalo and Syracuse University. It also placed them in first place in the Intercollegiate Fencing Association's Plainfield's first year as swardmaster at RIT.

RIT tied Rippey 8-1 in epee, 8-1 in saber and 6-5 in foil. Derry Moore, Charles Henry and Charles Goldthorp each won three bouts in epee while Sid Goldsmith took two and dropped one. In full, Juan Carvajalvi, Ken Falk and Dick Greene all had identical 2-0 records in epee and lost only one bout in the whole meet.

Strong saber team, headed by veterans Carl Nelson, Art Boroc and Elliott Geigfels, swept the foil in a 6-0 win over the Case Institute of Technology. In the quarter finals, Jim Modrak garnered a first place spot in the final standing of the 147 pound class. In the preliminaries, he defeated Charles Goldberg of Lock Haven, weighed at 152 pounds, by a 5-3 margin and went on to defeat a finally college opponent in the quarter finals to make it 36 straight wins for his collegiate career.

Modrak met Steve Sforzo of the Mid-State Athletic champ in his weight class, and was decided in a very close fought match by a 6-5 score. Sforzo went on to take the tourney to the next round. In the consolation finals, Modrak decisioned his opponent from Hattra and then defeated fellow-defender Clark Wright of Baldwin-Wallace for his third place finish and standings.

Jim Carvajalvi, RIT record holder, defeated Charlie Harkins at 157 pounds class. In the preliminaries, Carvajalvi, another 114 veteran, defeated a fellow defender Charlie Harkins at 157 pounds class. In the preliminaries, Carvajalvi, another 114 veteran, defeated a fellow defender Charlie Harkins at 147 pounds class. In the preliminaries, Carvajalvi, another 114 veteran, defeated a fellow defender Charlie Harkins at 147 pounds class.

In the consolation finals, Carvajalvi pinned his opponent from Hattra and then defeated fellow-defender Charlie Harkins. Dame and in the quarter-finals Jimmy Smith was decisioned in a very close fought match by a 2-0 score. Smith went on to take the tourney to the next round. In the consolation finals, Carvajalvi pinned his opponent from Hattra and then defeated fellow-defender Charlie Harkins for his 32nd straight win.

Carmignani picked up another pin in a match against Rusko from Lock Haven State to move on to the finals. In the round of 16, Abraham of Wayne'sburg defeated Carmignani for his 26th straight win. The RIT wrestler in the second place, runner-up spot.

Jerry Harris, second place, pinned his Case Institute opponent in the consolation round. In the quarter-finals, Jerry Harris, second place, pinned his Case Institute opponent in the consolation round. In the quarter-finals, Jerry Harris, second place, pinned his Case Institute opponent in the consolation round. In the quarter-finals, Jerry Harris, second place, pinned his Case Institute opponent in the consolation round.

Hans Donzeller was unable to win any of his bouts. He lost in the finals to Domweight class, claimed second place for the 117 pounders. He lost in the consolation finals, where in Rochester, stated that his reason for leaving his coaching job is that he felt that he would not have sufficient time to devote to RIT's expanding athletic program. He explained that it would be to the best interests of the team if he remained at Lock Haven University. The university has been the director of intramural sports the past fifteen years. He also has the distinction of being RIT's first undefeated season in 1945-46 when the Tigers to a 17-0 record in the recently completed 1955-56 season.

Fencing Squad Fifth in North Atlantic Tourney

RIT fencing team, off to a slow start, finished fifth in the North Atlantic Intercollegiate Fencing Association's Plainfield's first year as swardmaster at RIT.

A total of 17 points were scored by RIT as Juan Carvajalvi and Ken Falk won three bouts in epee, Dave Kelly and Derry Moore in foil and three bouts in sabre.

The University of Buffalo won the tournament championship with 25 points to edge out the University of Syracuse. The University of Buffalo, 12 points ahead, was decisioned in the individual competition finals to fall and edged up for third place. In a fence-off for the third place, the judges counted individual points for each man. In the final match, the RIT captain, also advanced to the finals. He fell in the semi-finals, so was unable to win any of his bouts.

Only Nelson and Art Boroc were lost in the history department. The title of "Mr. Campus" is reserved for student skating appreciation. The annual "Mr. Campus" competition is held April 29 in connection with the Ice Rink Student Advisory Committee's annual "Hall of Fame" as suggested by an editorial of The "RIT Hall of Fame" article.

## KSK Conclave Convenes Here

April 6 and 7 mark the occasion of the RIT conclave of Kappa Sigma Kappa fraternity. The conclave will be held here at RIT. The eastern province is one of six such provinces, representing different areas of the United States. Delegates will be present from the Middle Atlantic States with representatives from New York, Pennsylvania, Ohio, Michigan and Illinois. Of the three officers of the eastern province, Kappa Sigma Kappa held the presidency for the 1955-56 year. These are: Howard J. Hall, a second-year student, president; and Art Richard, secretary-treasurer.

The brothers who would like to thank the ladies of Delta Omicron sorority for accepting our invitation to become our sister sorority. We are happy to hear that Delta Omicron are hard at work for a Happy Easter, a Good Passover, and a wonderful vacation for all.

The sisterhood of Delta Omicron wishes to extend their warmest greetings for a happy Easter, a Good Passover, and a wonderful vacation for all the students of the Institute. No one doubt, that in the years ahead, the guidance and understanding attitude with which our students approach this new and exciting development will be greatly appreciated by many student organizations and activities.

The gentlemen who are being initiated this week are: John O. Collins, Robert L. Miller, John J. Parrott, and William J. Reardon. Congratulations to Jim O'Connor, President of the Campus Glee Club and the wonderful job that he has done this year. And why? Because it brings with it Spring Weekend, of course!

### Instructor Profile

If there is anyone at RIT who by now has not heard the name of Joe Fitzpatrick connected with some form of student activities, he will come forth! Only recently the winner of the KSK Sperlich Award, given annually to the faculty person who has done most towards contributing most to students at RIT, as his students and friends know him, is a shining example of the ideal relationship of friend and teacher to the hundreds of students with whom he comes in daily contact.

Joseph Edward Fitzpatrick, Jr., was born in Oil City, Pa., of Pennsylvania-Dutch and Irish stock. In 1945, he entered Buffalo High School and later went on to the University of Buffalo, where he had taken an engineering college preparatory course in chemistry. Upon graduation, he became lab technician at a chemical plant in Michigan. Recently he entered the service of a large corporation, in Buffalo. A year later, he entered the service in the Army Medical Dept., where he trained as a clinical lab technician at Indiana University, and was stationed at Fort Benjamin Harrison.

Re-entering civilian life, he enrolled at the University of Buffalo in September, 1946, majoring in psychology and English. Receiving his B.A. in psychology in August of 1950, he simultaneously finished his work towards his masters degree in education. Previous to this, he had already taken the National Exams at Indiana University and became affiliated with the American Medical Technologists, holding an M.T. degree.

September 1951 saw him begin his teaching career at Gowanda Central School, in N. Y., where he taught English and also served as a part time guidance counselor. But an interruption came in the form of his service. He was recalled six months before his discharge, from his release from a 10-month tour of duty at Camp Carson, he returned to Gowanda, where he resumed teaching at Gowanda Central School in September.

At this time he began his doctoral work at the University of Buffalo, under a New York State Veterans Scholarship. Spring and summer—of U. of B., he completed his class hour requirements towards his doctorate in August 1955.

Fitz remained at Gowanda until June of 1956, when he signed up for the Korean War. He was sent to Chosin Reservoir in September of 1953. Although he has been with the Institute for only three short years, his influence and presence has been deeply felt and appreciated by many student organizations and activities.

He became faculty advisor to the fencing team, which has brought championship honors to RIT. Fitz was appointed assembly chairman, and through his efforts has brought to us a number of interesting and enlightening assembly programs. He is chairman of the school spirit committee, in charge of pep rallies, etc.—no word can express his delight over this season's unbeaten basketball team!

Last year he began organizing the Forensic Society, which has developed some outstanding debaters in this part of the state, and he was also made an honorary member of the Electrical Student Association. He helped in the organizing of the Wednesday noon movies, and informing an audio-visual committee to aid instructors with films. Last year he had installed in E-125 a new recording and PA system, and helped open it to such activities as noon movies, noon music programs (both pop and classic) and the noon mixer dances. This year, he is again knee-deep in the activities of the fencing team, assembly program, rallies, noon programs, dance club, and the Forensic Society. The society alone has participated in 15 tournaments this year, with 300 colleges and universities throughout the country.

His most recent interests are at present centered on his new home, which he bought in the middle of green St. Painting, remodeling, etc., has kept him on the go since last summer, and it is an interest which, he says, "will take a long time.

Other than this, his sole future plans at present include completing his doctorate degree; and when queried, "marriage?" answered, "Soon—I hope."

A genial pipe-smoking individual, Fitz felt that he had sufficiently expressed his views in a statement given when he received the Sperlich Trophy. In it he said, " . . . 1 accept this not for myself, but because to me it symbolizes a new beginning; a new direction in the activities of the fencing team, assembly program, rallies, noon programs, dance club, and the Forensic Society. The society alone has participated in 15 tournaments this year, with 300 colleges and universities throughout the country.

A REMINDER TO ALL ALUMNI—The date to keep in mind is May 19 shown by Mary E. Estes (left), chairman of the Alumni Banquet committee, and Harry Davis (at ladder), president of the Alumni Association. They are standing in front of the Ritter-Clark Memorial Building where this year’s banquet will be held. With only six more weeks to go before the big event, everyone is urged to get their reservations in today. A number of small groups are invited to arrange for table reservations on campus. Tickets this year will be $5.50 per couple. As in previous years, reunion classes will be set off by special tables. Catering for the affair will be handled by a graduate of the Food Administration Department, Shirley Storer, who operates the well-known Carrie Moss in the Rochester area. Vic Boris is in charge of the evening’s program. This year the orchestra will be the last. Don’t forget to send in those reservations!

Class of 1928
Linn L. Phelan (Art) continues as an art teacher and supervisor at Alfred-Almond Central School. In addition, she operates the Linwood Pottery in Alfred, as well as teaching an adult class in pottery-making.

Class of 1941
Eleanor Brockway Kupper- schmidt (Art) writes: “Being the busy mother of three young sons is the very best of jobs. My art work consists mostly of decorating Easter eggs, birthday cakes, Christmas trees and little boys’ bedrooms. Exhibits of my art work are shown regularly at the ‘Art Hobby shows; mostly textile painting, ceramics hooked rugs.” Eleanor must have a busy time with the youngsters!

Kathleen R. Fisch (Art) continues her work at the Rochester Museum of Arts and Sciences, which she enjoys very much.

Dorothy Holt Maurer (Mrs. Richard) lives in Ithaca, N.Y. Her husband is a graduate of the Department of Physics at RIT in Class of 1934. They have three daughters; Susan, Elizabeth and Richard, and one son, Richard Alan, the second, a graduate of the Department of Photography, Class of 1940. They received their B.F.A. from Notre Dame in 1951 prior to coming to RIT, is now an instructor in the Art Department at Colorado A. & M. college in Fort Collins. He would like very much to hear from all his friends and classmates, and of whom will remember “the man behind the scenes.” Address: 90 W. S. College Ave., Fort Collins, Colo.

West High Celebrates Semi-Centennial Event

Former students and classmates at Rochester’s West High School can join in “observing a Happy Birthday, a Golden Wedding, and a Semi-Centennial” at the school during the week of April 16 through April 20. This week has been designated as one in which a special observance is being made in honor of the school’s 50th year of serving the young men and women of Rochester.

Several events have been scheduled for graduates throughout the week. An Open House is slotted for Tuesday, April 17 at 8 p.m. Special meeting places will be arranged for members of any class that would like to stage a special reunion.

An enjoyable evening of music is in store for all former students, and especially those who were in musical groups while in high school, during Friday evening, April 20. The school’s present musical organization will present a Musical at 8:15 p.m. Located at 581 Genesee Street, West High is the second oldest high school in the city of Rochester.

General chairman for the semi-centennial celebration is Mr. Edward M. Pickard, vice - principal of the school. Further information about the scheduled events may be obtained by contacting Mr. Pickard at the Genese Street address:

Laughs?
Emory University, Ga.—(ACP)
Bruce McBride (Vacation) of Lyons, N.Y. on March 23, 1956.

Announcement of the arrival of Frank Peter Newman III, born to Joan Newman Bristow (Photograph) and Frank on Jan. 31. The Newman’s live at 5437 Varian Rd., APO 55, N.Y., is now located about 14 miles outside of Paris, assigned to a photo lab attached to SHAPE. Bruce says that the Pittsfield alumni to a man expect to attend the Alumni Banquet in May, helping to make this affair outstanding. We will be looking forward to visiting the Pittsfield Alumni Suite!

Class of 1952
Bruce McBride, his wife Joan and their two girls are now living at 5366 Youngridge Dr., Pitts- burgh. Bruce writes us that the Pittsfield alumni to a man expect to attend the Alumni Banquet in May, helping to make this affair outstanding. We will be looking forward to visiting the Pittsfield Alumni Suite!

Class of 1953
Pvt. Bruce Davidson (Photo) US 1034BOC, Jr. Oc., 7th Sig. (SUC) Bn., APO 55, N.Y., is now located about 14 miles outside of Paris, assigned to a photo lab attached to SHAPE. We will be looking forward to visiting the Pittsfield Alumni Suite!

Class of 1954
A delightful surprise was a quick visit from John White (Art) who was on his way back to Fort Collins, Colo., after spending the holidays in the east. John, who received his B.F.A. from Notre Dame in 1951 prior to coming to RIT, is now an instructor in the Art Department at Colorado A. & M. college in Fort Collins. He would like very much to hear from all his friends and classmates, and of whom will remember “the man behind the scenes.” Address: 500 W. S. College Ave., Fort Collins, Colo.
Local Indications Show Spring's Approaching

SPRING'S FIRST DAISIES—De-lighted by their rare find are Joyce Tilley and Al Landman who interpret same to be an in-dication that spring can't be too far away. [Brown Photo]

CAMPUS COMMENTS (Continued from Page 4.)
Social Calendar. We are hoping that someone will again attempt soon to get this club going. The veterans' club with a potential membership of over 300 also had a peculiar beginning. It had a constitution over 300 pages long, but also had a peculiar potential membership of 300 only. 

Local Indications Show the RIT blazers and wondered what the weather would be like when the spring Social Calendar (for May) was printed. It was expected to be a driving force on campus, but also in aiding the Masquer's Guild on Saturday, April 7 in the Ritter-Clark gym. The cast consists of Chris Earhart, Dick Hender Schartz, Nan Lynch, Maija Zeraiks, Rosemary Billings, Joyce Tilley and Al Landsman who interpret same to be an indication that spring can't be too far away.

A TOUCH of Spring—Call it confusion drop off drastically! Come April and May and many occasions can't get a quorum together to conduct a business meeting. We are just for an exploitation, and we can't find a legitimate excuse for club members to stay away from meetings en masse. This 'n' that, Book covers with an attractive new design are now available in the Book Store.

To the Touch ... To the Taste...
CHESTERFIELD PACKS MORE PLEASURE

SATISFY YOURSELF with a milder, better-tasting smoke—packed for more pleasure by exclusive AccuRay

A TOUGH will tell you ... an AccuRay Chesterfield is more perfectly packed ... and that means Chesterfield satisfies the most ... burns more evenly, smokes much smoother.

To the taste, too ... Chesterfield packs more pleasure. Firm and filtering to the eye, ... yet a deep satisfaction to the taste ... Chesterfield alone is pleasure-packed by AccuRay.

MILD, YET THEY SATISFY ... THE MOST!

To the TOUCH ... TO THE TASTE.
