Professor Rudy Pugliese, DOC graduate coordinator, and Mike Horning, 2006 Communication & Media Technologies graduate, each had their research published in the Bulletin of Science, Technology & Society (October 2007, vol. 27, no. 5).

"Cyberdemocracy and Online Politics: A New Model of Interactivity" is the title of Pugliese's research, co-authored with RIT professors Paul Ferber and Franz Foltz. Horning's research, "Putting the Community Back Into Community Networks: A Content Analysis," is based upon his CMT thesis and a paper he presented at the IASTS Conference.

Horning is currently working on his Ph.D. at Pennsylvania State University.
