Hockey Club Under Way After Overcoming Problems

The formation of a Hockey Club at RIT started as per the usual submission of a constitution to the office of Student Affairs. But this is where the usual stopped and the story of the Hockey Club began.

In approving the constitution of the Hockey Club of the Rochester Institute of Technology, Mr. Robert F. Belknap, Director of Student Affairs, inserted a clause stating that the advisor shall have veto power in the club.

When contacted Mr. Belknap explained that this was not special treatment for this organization. "This clause is in the sample constitution approved by me and the Constitution Committee of Student Council and will be added to all new constitutions".

Now that Mr. Belknap and also the Council's Constitution Committee had approved the club's charter, the Hockey Club needed only money to become a reality. At the November 23 meeting a request for \$15,000.00 was made to Student Council.

Before voting on the club's appropriation, a memorandum by Mr. Belknap to Joe Bourroughs,

Vice-President of Student Council, was read to the group. In this note Mr. Belknap passed on to them the items of cost that would have to be covered with respect to forming a hockey team here at the Institute, a total approximate cost of \$25,000.

He explained that the monetary and other considerations he makes were passed along to him by Mr. Lewis Elkin, Manager of the RIT Ice Rink.

When approached by the Reporter, Mr. Elkin stated that the statements attributed to him were given in private talk with Mr. Belknap and pertained to the situation at Rensselaer Polytechnic Institute.

By a close vote the Budget Committee's figure was dropped to \$1,020 and approved. But even after the Hockey Club received this money it did not face smooth ice.

Last week the administration called upon it to remove the "RIT" from its name.

When questioned about this matter, Hockey Club president, Manny Whitaker, (Photo 4) asserted, that "if they had any qualms about this they (the Administration) should have made it known before they signed our constitution." A member of the administration told the Reporter that the reason for the name question was that if it were called an RIT hockey club it would appear that it was associated with the athletic program of the school, which is not so.

In the last development Friday, Mr. Belknap explained that the Club was being allowed to keep their original name, Rochester Institute of Technology Hockey Club.

Caroling Group Tours Campus

"Jingle Bells," "Silent Night," "White Christmas" are several of the many seasonal songs that will be ringing throughout the streets near RIT on Sunday, Dec. 13.

Reason for the singing is the annual Christmas caroling by the residents of all three RIT dorms.

After the open house the caroling group will follow a varied route through the streets and will end in the Dining Room of the Men's Dorm at 8 p.m. Music will be played for the benefit of dancers and refreshments will be served.

The affair will be terminated about 10 p.m. with additional singing around the Christmas tree in the lobby.

New Committee Will Be Formed

As soon as members are appointed by their various organizations, a new sub-committee of the Personnel Committee will be established to settle problems arising between the Student Activities Committee and the fraternities here at RIT.

The new sub-committee will be composed of three members of the Personnel Committee, one member appointed by Student Council. Using the established school policy, it is hoped that this committee will be able to solve problems effectively. However, if questions should arise involving policy, the matter will be turned over to the Personnel Committee who in turn will refer it to the Policy Committee.

Because the school is expanding and thus becoming more complex, it is conceivable that new committees will be formed periodically to share the workload and establish greater efficiency in handling the internal matters.

Gamma Phi Becomes Colony of Sigma Pi

At a ceremony in Nathaniel Rochester Hall last Wednesday, Dec. 9, RIT's Gamma Phi became a colony of Sigma Pi national fraternity. Mr. James Hill, expansion director of the grand chapter in New Jersey, conducted the ceremony in the Congressional Room of the dormitory.

Gamma Phi will remain a colony of Sigma Pi until spring. At that time, all of the present members, and members of this year's pledge class, will become charter members of the RIT chapter.

It is expected that representatives from chapters at St. Lawrence University, Rhode Island, and Cornell will attend the ceremonies in the spring.

Student Council Approves Budget and Ring Design

Approval of the proposed Student Council budget for the school year 1959-'60 and the acceptance of a new official school ring highlighted the past three Student Council meetings.

Discussion concerning the approval of a new ring design for RIT took more than half of the pre-Thanksgiving assemblage of

the Institute's governing body.

Ring committee members displayed detailed sketches of the proposed ring. The speakers in favor of adapting the new design related that the traditional type college ring would compliment the school and add distinction to RIT students.

The new design was accepted by Council at last Monday's meeting. Sketches of the new ring have been on display for students' viewing this week.

Under the new system for rings, only students graduating in the designated year and the year immediately following will be allowed to purchase a ring. Thus far this program is not fully inaugurated but is only in the planning stages. The reason for this move is to further the prestige of graduating students.

After much discussion, amending and voting the Student Council Budget for 1959-'60 is approved.

All other business was bypassed and the budget question was brought before Council at their November 30 meeting.

To expedite the passing of the budget President Jack Lloyd asked for a show of hands of members as to what part of the budget they wanted to discuss. Those categories which necessitated discussion were talked over then each individual item was approved informally and a final vote taken. The budget was approved.

Part of Student Council's By-Laws to the Constitution were amended at the December 7 meeting giving the voting privilege to Division Heads. Previously these appointed members of Council had no voting power.

Dorm Councils Hold Pep Rally

Familiar cheers of "Go Team Go" echoed through the RIT campus on Thursday, Dec. 2 as the dormitory councils of Nathaniel Rochester and Kate Gleason Halls sponsored the year's first pep rally.

Adding to the festivities, a 500 foot snake was made and escorted through campus streets. The rally, intended to cheer the team on for the first basketball game of the year, against Potsdam, started at 5:30 p.m.

The dorms, Lettermen's Club, and cheerleaders sponsored the event. Richard Kollath and Pat Morrow were co-chairmen.

Techmila Staff To Pick Pictures

The Techmila office has announced that there will be no proofs of the senior portraits returned to the students. All senior pictures will be handled by the Techmila staff.

Students who have a good reason and want to be rescheduled for portrait pictures must appear at the Techmila office at least two days ahead of time so the portrait photographer may be informed of the change.

SING ALONG WITH ME—The Beanies entertain the 100 people who attended Tau Epsilon Phi's party Saturday night at the Moose Club. This was TEP's first weekend.

SCHOLASTIC AWARD—Bill Wilson, President of IFC presents the Interfraternity Council Scholastic Award to Larry Albertson, president of Theta Gamma.

EDITORIAL

God Bless Us Every One

I have always thought of Christmas time, when it has come round. . . as a good time, a kind, forgiving, charitable, pleasant time; the only time I know of in the long calendar of the year when men and women seem by one consent to open their shut-up hearts freely, and to think of people below them as if they really were fellow-travellers to the grave, and not another race of creatures bound on other journeys.

CHARLES DICKENS
A Christmas Carol

The Cheater Always Loses

As Christmas nears, so does examination time. For the next week, Christmas carols and gifts and thoughts of home will be pushed out of the minds of RIT students, to be replaced by thoughts of unfinished projects, lecture notes to be studied, equations to be learned.

Perhaps it is fortunate that the first examination period comes at this time of universal good will and idealism. Even so, it is doubtful that the spirit of the season will make any change in the most degrading aspect of examination time. . . cheating.

Instructors will read notices sent out by the Dean's Office, warning what will happen to cheaters. Examination rooms will be closely supervised, and every step will be taken to make sure no surreptitious answer-giving goes on. But someone always manages to sneak through.

It is ironic that the cheater hurts no one more than he hurts himself. Whether he is caught or not, he always loses. If he is caught, the penalties are severe, and may result in suspension from school. Even if he succeeds in his dishonesty, the slightly higher mark he may have obtained will not help when he really has to know the answers: on the job or in life.

In the long run, it is up to the individual to decide whether or not to cheat. No one has to. No course at RIT is so difficult that one must cheat to pass it. No student is incapable of learning the work: if he were, he would not have been admitted to school in the first place.

In effect, cheating is a case of locking the barn after the horse is gone. At best, it's a temporary means of putting off reality. It's a gamble taken which win or lose, is always lost.

Is There A Future for Student Council?

Recent action by the administration make us wonder about the future of Student Council.

First the fact that Mr. Robert Belknap felt it necessary to send a memorandum to the Council to make them aware of the cost of formation of a hockey team.

Secondly, in this note Mr. Belknap in referring to where Student Council could obtain the \$2,000 it allocated to Techmila explains that they will have to trim the budget of other organizations, unless something can be done with respect to the Techmila budget. Yet this note was sent after Student Council had approved Techmila's budget. An action which would lead to the belief that he had considered over-riding Council's decision.

It is possible that the administration has taken these steps because it feels that Student Council is not properly doing its job.

It is further possible that the administration will step in on other matters unless Student Council does the job it was set up to do.

LITTLE MAN ON CAMPUS

"ARE TH' BOYS TAKING US TO SEE THIS PICTURE IN A THEATRE OR A 'DRIVE-IN'?"

Goings On Around Town

Plays, movies and special events of general cultural interest are what the Reporter hopes to acquaint students with in this column.

Many events, lectures, shows and special exhibitions that would be of interest to students are not too widely publicized in the Rochester papers.

In this column the Reporter will gather together this information and present it for its entertainment value and aid in the student's course of study.

Below are presented the events that will be taking place this

month at the Dryden theater, movie houses and at various other locations in the Rochester area.

Museum of Arts offers an American Bird Exhibition to be held until Dec. 20.*

Friday evening, Dec. 11 at 8:15 p.m., "Eastman Philharmonica" directed by Dr. Howard Hanson, at Strong Auditorium, River Boulevard, University of Rochester.*

Saturday afternoon, Dec. 12 at 3:30 p.m., "Tess of the Storm Country," a 1914 motion picture starring Mary Pickford, to be shown at the Dryden Theatre, George Eastman House.*

Sunday afternoon, Dec. 13 at 3:30 p.m., "Madame Butterfly," 1915 film, starring Mary Pickford to be shown at the Dryden Theatre.*

Starting a two-week run Wednesday, Dec. 16, at the RKO Palace Theatre, "Goliath and the Barbarians" (color), starring Steve Reeves, Chelo Alonso, and Bruce Cabot. Plus "The Man Who Understood Women."

Thursday evening, Dec. 17 at 8:15 p.m., "Concerto Concerts" under the direction of Dr. Hanson at the Eastman Theatre. Tickets available Monday, Dec. 14, only.*

Beginning Thursday, Dec. 17, the Paramount Theatre will feature "A Journey to the center of the Earth," starring Pat Boone. Plus "Blood and Steel." The Regent Theatre Holiday Show, start- Dec. 17, consists of "Lil' Abner" (color) and "Johny Rocco."

At the Loew's Theatre on Dec. 17, starting a two-week run will be "1001 Arabian Nights" (color), starring The Near-sighted Mister Magoo. Plus "The Flying Fontaines" (color).

Friday evening, Dec. 18 at 8:15 p.m., "Choral Concert" with the Eastman School Symphony Orchestra under the direction of Dr. Paul White, at the Eastman Theatre.*

Saturday afternoon, Dec. 19 at 3:30 p.m., "The Foundling," 1916 film at the Dryden Theatre, starring Mary Pickford.*

Sunday afternoon, Dec. 20 at 3:30 p.m., "The Pride of the Clan," another Mary Pickford film at the Dryden Theatre.*

Saturday afternoon, Dec. 26 at 3:30 p.m., "Rebecca of Sunnybrook Farm," Mary Pickford, Dryden Theatre.*

Sunday afternoon, Dec. 27 at 3:30 p.m., "Daddy Long Legs," Mary Pickford, Dryden Theatre.*

Opening Wednesday evening, Dec. 30 at 8:30 p.m., "Who Was That Lady I Saw You With?" 1958 Broadway hit being staged by the Community Players at the Community Playhouse.

A two-week engagement at the Palace beginning Dec. 30 features "Beloved Infidel" (color), starring Gregory Peck and Deborah Kerr. Plus "Jet Over the Atlantic."

December 31 only at the Paramount, Cary Grant and Tony Curtis in "Operation Petticoat." Starting New Year's Day the Paramount will feature "The Miracle."

Friday evening, Jan. 8 at 8:15 p.m., Eastman School Symphonic Band, under Dr. Frederick Fennell at the Eastman Theatre.*

Starting Wednesday, Jan. 13 at the Palace, "A Woman Like Satan," starring Bridgette Bardot and "Night Ambush."

Letter to the Editor

Dear Editors:

After much delay, the 1959-60 Student-Faculty Directory will finally be issued shortly after the return of the students to school in January.

I would like to point out that the late publication date of the Directory is not the result of poor organization and irresponsibility on the part of the committee; but is due to the printer's inability to meet his promised two-week contract.

The people who put so much time into the directory, in my opinion, did a fine job and produced an outstanding publication.

This year's Directory is unique in that it has been printed by offset lithography from original reproductions that were produced on a typewriter. These reproductions were then reduced in size during the camera operations so that a maximum amount of the names could be printed per page. By doing this, a large amount of money was saved that would have otherwise been spent on Linotype composition costs.

The cost of this year's Directory represents an overall saving of approximately \$1100.00 over the cost of last year's Directory. This represents a very significant saving of approximately \$.50 per student.

James H. Brennan • No Admission Charge.

Dr. Kessman Joins Staff

Dr. Maurice Kessman assumed his position at RIT as Coordinator of Educational Research and Assistant to the Dean of Instruction this past September.

Previously, Dr. Kessman held many interesting positions in various parts of the nation. He received his bachelor's and master's degrees from the University of California, and his Ph.D. degree from Indiana University last summer.

While at Indiana he served as Research Associate and Production supervisor in the Audio-visual Communications Center of the university, and taught in the School of Education.

Dr. Kessman has been associated with the motion picture industry since 1946. He has produced films and has served as engineer for both Columbia Pictures Corporation and Cinema Engineering Corporation.

For a period of three years he was Sound Director for the UCLA Motion Picture Division, during which time he served on both the teaching and production staffs.

Among the societies and groups to which he belongs, he lists the Society of Motion Picture and Television Engineers, the University Film Producers Association, the International Scientific Film Association, the Educational Film Library Association, the Department of Audio-Visual Instruction of the Adult Education Association, the American Educational Research Association, and Phi Delta Kappa.

Presently, as coordinator of Educational Research, he is involved in research activities that will contribute to the solution of problems related to the educational growth and development of the Institute. In the course of such research there will be opportunities to contribute to the broader fields of higher education and the psychology of learning.

UNICEF Cards Now Available

As another season of Christmas giving arrives, many people find themselves dismayed by the commercialism invading customs. Some of the gaiety and friendliness of the exchange of greetings through cards is lost.

Many welcome the idea of UNICEF cards, which give pleasure to those who send as well as those who receive. The proceeds from the sale of each box of cards help to buy food and medicine for the underprivileged children of the world.

One box of cards provides 45 children with a large daily glass of milk for one week; five boxes supply enough vaccine to protect 300 children against tuberculosis.

These UNICEF cards are beautifully designed by famous artists. There is a wide selection of colorful cards all with multi-lingual season's greetings messages. The cards are available with no waiting at the United Nations headquarters in the Chamber of Commerce building, 55 St. Paul Street. They come in boxes of ten, and sell for \$1.25 a box.

GREEK TALK

Phi Upsilon Phi

Phi U extends belated congratulations to our newly initiated sisters; Lillian Petrelli, Gloria Baker, Loretta Gananian, Sally Warner, Ann Reed, and Lorraine Shepherd.

Alpha Psi

The sisters of Alpha Psi extend their best wishes to Joanie Polina, a former sister, and to brother Larry Albertson, president of Theta Gamma, on their recent marriage.

Our congratulations go out to our new sisters: Gail Harrington,

Sue Lashomb, Dorla Fournier, and Arlie Smith.

Alpha Psi re-enacted the skit which they performed for their Rush Tea, at the St. John's Home for the Aged, on December 8. A Coffee Hour was held following the skit. This is part of their Christmas charity program.

Theta Gamma

The brothers of Theta Gamma were honored to receive, for the fifth consecutive year, the I.F.C. scholarship trophy. The running was close, as in past years, and the averages of the four groups reflect the serious aspects of the social fraternity.

Our congratulations to Brother Dick Ferris who was recently pinned to Kay Gilman, to Brother Al Marsh, whose engagement to Joan Cobb was recently announced, and of course to President Larry Albertson and his bride of a few weeks, the former Joanie Polina.

All Teams Open With Victories

Basketball

The RIT basketball team successfully opened its season on Dec. 2 as it overran a Potsdam State five 87-17.

The Tigers were sparked by co-captains Ron Milko who netted 19 points and Don Paladino who threw in 21. Kay Kramer and Harry Beardsley played good supporting roles, each chipping in 13 points.

In their second start of the season, the team rolled over Roberts Wesleyan 64-55, after leading by as much as 18 points.

Kramer and Milko teamed to give the Tigers their punch, both scoring 18 points. Lescalleet chucked in 20 for Roberts.

The Tigers' next start will be against McMaster U. tomorrow night on the McMaster floor. This will be their second away game of the season after playing Brockport last Tuesday at the Golden Eagles home court.

The baby Tigers picked up two wins and dropped a game in their first three starts. RBI was their first victim as the visitors fell before a wild RIT scoring attack 94-45. Charlie Albertson notched 24 for the winners.

In their second game, Bryant Stratton gave them a scare before the tiny Tigers were able to walk off with a 61-55 victory.

In the third game, they weren't as fortunate. Playing the preliminary at the U of R game last Saturday, the frosh were mauled by the boys from the River Campus 83-55.

In each of the last two games, former West High star, Jack Harris took scoring honors for the Tigers, getting 19 against Bryant and 22 against the U of R.

Wrestling

RIT's wrestlers opened their 1959-60 season with a decisive win over Case Tech, 31 to 2.

Actually the Tigers made short work of the Rough Riders from Cleveland by winning every match but the heavy weight, in which there was a draw.

Ramon West, 137, Jerry Huffman, 147 and Jim Kennedy, 157, led the team with three successive pins. Most of the other matches were won by a wide margin, and a forfeit at 123 lb. to Paul Rode.

123 lb., Paul Rode (RIT) won by forfeit; 130 lb., Roger Aceto (RIT) dec. Badwoski, 11-4; 137 lb., Ramon West (RIT) pinned Dewey, 6:19; 147 lb., Jerry Huffman (RIT) pinned Hasbrouck, 7:22; 157 lb. Jim Kennedy (RIT) pinned Hill, 7:18; 167 lb., Dick Zoyhowski (RIT) dec. Maynard, 3-0; 177 lb., Dave Zoyhowski (RIT) dec. Norris, 4-2; Heavy, Bob Cully (RIT) and Marshall, draw.

This week's line up will probably be as follows;

Starting at the 123 lb. slot is Paul Rode, one of the two sophomores on the team. Roger Aceto at 130 lb. and Ramon West at 137 lb. will wrestle in their usual weight classes.

Captain Jerry Huffman, as usual will be in his 147 lb. berth. At 157 lb. Jim Kennedy and Dick Zoyhowski at 167 lb. are juniors. The other sophomore, Dave Zoyhowski, wrestling in the 177 lb. class and Ken Klaus from Missouri will round out the squad.

Fencing

The RIT men's fencing team opened its season last Saturday with a 19-8 victory over Brandeis University at Waltham, Mass. The win marked the 12th straight victory for the Tigers since they dropped their second match of the season last year.

The RIT foil team of John Capurso, Chuck Dunham and Bill Ottemiller won 7 bouts while losing 2.

The Tiger epee team defeated Brandeis 8-1, with Derry Mounce and Phil Johnson each winning three and Jim Mason posting a 2-1 record. Dunham, Ottemiller and Johnson, fencing in their first varsity competition, had a combined record of 7 wins and just 2 losses.

Dunham, who was top man on last year's freshman team, won all three of his matches.

The all-veteran RIT sabre team lost to the home team 4-5. Ron Bambas won 2 bouts while losing one by the narrow margin of one point. Neil Cannon and Capt. Bill Streeter each had 1-2 records.

The outstanding fencer for RIT was epee fencer Derry Mounce (Ph 4) who received praise from the officials and the Brandeis coach for the skill and ease with which he defeated his opponents. Mounce had only 6 touches scored against him in the entire match.

Next Saturday the Tigers, coached by Paul Scipioni and Gabor Marshall, will fence Utica College at Utica.

Huffman Captains Wrestlers; Streeter to Lead Fencers

by Ramon West

Last year's captain, Jerry Huffman, will again reign over his wrestling peers. Although he is a fourth year Electrical student, this will be his last year of wrestling eligibility, as his three year's participation in varsity competition will expire at the conclusion of this year.

The absence will certainly be felt by the team. Jerry has been among RIT's most consistent winners.

It seems that skillful Jerry has a one-loss jinx. During his first year on the varsity, he compiled a very respectable 11 wins and 1 loss. Last year, his log tallied up to an even better 14 wins and 1 loss. As a freshman, he again lost only one match while winning seven.

Besides his winning capacity as a wrestler, his leadership ability as a captain is another reason he will be hard for the team to replace. There is no physical criteria for evaluating the correlation of a team's wins and the captain's efforts, but all coaches will agree that a good captain can be the difference between a successful or unsuccessful team.

In 1957, he took second at the Wilks-College tournament in Wilks-Berre, Penn. at 147 lbs. Third at the 4-I's in Cleveland and first in the Niagara A.A.U. tournament were his titles for 1958. In 1959, he again retained his 1958 titles, which were first in the Niagara and third in the 4-I's, again at the 147 lb. class.

At practice Jerry is a religious driller and real student of the sport. This is probably the reason why he has attained a high degree of finesse in the performing of his moves. He is one of the smoothest men on the team.

by John Spear

Bill Streeter, a 3-year varsity fencing veteran, was chosen captain of the 1959-60 fencing team.

Streeter came to RIT with no knowledge of fencing. In his first year, during which he compiled a respectable 9-10 record, he fenced both in the epee and foil sections.

Then, during the 1957-58 season, he switched to the sabre as he became a regular team member. He again just missed the .500 mark as he finished with a 14-15 mark. Both seasons marked success for the lanky, dark haired Streeter though, because in each of them he was tackling something new.

Last year Bill came into his own as he rocketed to a 29-7 mark, one of the best on the team. And to show his versatility, in one match he fenced in the foil section when it became necessary.

Then, to cap the season, Bill came through with a pressure showing in the North Atlantic Fencing Championships to take the sabre division championship. His championship marked an otherwise dull day, as the RIT team lost the trophy it had won the year before in a 20-18 loss to the University of Buffalo.

Bill's win came in a playoff with Sandy Scher of Buffalo U. Both Sandy and Bill had finished with 4 wins in the sabre division at the end of the regular meet. Then, in a playoff, Streeter took the rubber game and the sabre championship with a 5-4 win.

This season didn't start so rosily though, as Bill dropped 2 of 3 matches to his Brandeis U opponent this past Saturday.

Grapplers Face Clarkson, Oswego In Home Opener

Last year's wrestling team had an undefeated season on the home mat, while losing only three away. The log for last year was 12 wins and 3 losses.

RIT's first home match, Friday night against Oswego, should not offer too much of a threat to the undefeated Fullermen. Last year the Tigers beat Oswego 23-5 in their snow engulfed gym. However, they possess a lot of fight and should not be taken too lightly.

The following night, Saturday Dec. 12 will again find the grapplers occupying the Ritter-Clark Gym as they play host to Clarkson Tech of Potsdam, N.Y.

Reports are that coach Jack Hantz has the team in fine shape, and although the Green and Gold had a poor year last season, there are some seasoned veterans returning as well as a large crop of eager sophomores which should bolster the squad.

In spite of this favorable report, the Tigers are again the choice, and are expected to enter the holidays with an untarnished record.

Some of Clarkson's outstanding men are Morris Knapp, 137 lb. class senior who last year was one of the team's leaders and is expected to be at his peak this season. Clinton Erb or Jon Fogelberg at 167 lb., senior Ron Sorrell, 123 lb. and junior Shelby James, 157 lb.

Regardless of what either Oswego or Clarkson bring down, it is expected that the Fullermen will be ready. After last week's trouncing of Case, 31-2, the team feels more confident and eager.

Tigerettes to Open at Hunter

Next week will mark the first official meet for the fencing Tigerettes when they journey to New York City for matches at Hunter College, December 19.

The event is the Annual Christmas Invitational Tournament sponsored by the Inter-Collegiate Women's Fencing Association of which RIT is a member.

The matches are individual rather than team and each member school of the I.W.F.A. is allowed to send up to five girls as their representatives to this individual competition.

Last year's tournament saw 66 girls from over a dozen schools competing, with RIT fencers making a good showing. All five RIT girls passed the preliminary

tests in fine shape and two, Jan Chilson and Ann Herbert, went on to be among the nine finalists.

The loss of four of the five veterans of the past two years has hampered somewhat the starting strength of the Tigerettes. Women's team coach Paul Scipioni stated, however, that the outlook has brightened considerably in the past few weeks due to the continued practice and enthusiasm of the freshman girls.

Named to start the season this past Monday night were 2-year veteran and Cap. Sandy Meek and the following first-year fencers: Suzy Heacock, (Retailing), Noel Anderson (Retailing), Shirley London (A&D) and Gloria Shick (Bus. Ad.).
