All members of the community are invited to attend a memorial service to honor the memory of Syed Ali Turab and Seth Policzer. The service will be held at 3 p.m. on Monday, January 14, 2008 in the Killian J. and Caroline F. Schmitt Interfaith Center, Allen Chapel. A reception follows the service in the Student Alumni Union, Fireside Lounge.

Ali, a 4th year Professional & Technical Communication major, and Seth, a 4th year computer engineering student, were lost to our campus community in a house fire early on the morning of November 9.

Seth and Ali were vibrant members of the RIT family. Please feel welcome to join us on January 14th.
