### **Membership In SESD:**

Science Education for Students with Disabilities <http://www.sesd.info/index.htm> exists to promote and advance the teaching of science and the development of curricula and instructional materials for students at all levels, with any manners of disability in the learning process. Memberships are enthusiastically welcomed. Dues are \$10 per year; \$5 for full time students; and, US\$16 for International memberships. Membership information can be found at <http://www.sesd.info/membership.htm>. Additional information can be obtained by contacting David F. Bartlett, SESD Treasurer at [dbartlett@ameritech.net](mailto:dbartlett@ameritech.net).
