

## David H. Pierce makes top 10

February 1, 1998

David Pierce, vice president of programming and operations for Kaleidoscope Network who was named to Marquis' Who's Who in the Media and Communications 1998-99 and 1987 NTID graduate, was named one of Hearing Health magazine's Top 10 people of 1997. Also included in the list are Bill Clinton and Donna Shalala. According to Paula Bonillas of Hearing Health, "David was nominated for the excellent work he has consistently produced over the years. Although he seems to be a `behind-the-scenes' kind of guy, we thought he deserved some long-overdue recognition." Pierce was chosen by a number of advisors who are friends of the magazine for his positive influence and impact on the deaf and hard-of-hearing communities.
