28 May 2008

Dr. Susan Barnes is one of four editors for a newly published book entitled Mediated Interpersonal Communication (Routledge, 2008). The book is a collection of chapters written by leading researchers on computer-mediated communication. Dr. Barnes is Associate Director of the Lab for Social Computing.

An e-newsletter published occasionally by the Department of Communication and distributed to students and their family, alumni, faculty and others who have expressed an interest in communication.
