Department of Communication seniors presented their portfolios on May 15 to an enthusiastic and appreciative audience of students and faculty in the SAU Fireside Lounge. Top portfolio awards went to Sarah Exley, Professional & Technical Communication, and Karen Doktor, Advertising & Public Relations.

Exley's portfolio consisted of publications displayed in hardcopy and on a laptop, showing her work from classes and co-ops. Doktor exhibited her writing and design projects on a website, an attractive online portfolio that recently helped her land a full-time job with the Buffalo News (eNewsletter May 8).

Congratulations, Sarah and Karen!
