[More 'Imagine RIT' sound and pictures](#)

As promised, the [second half](#) of a special two-part [Studio 86 'On the Road': Imagine RIT](#) podcast—featuring fun, “roving reporter” coverage of the first [Imagine RIT: Innovation and Creativity Festival](#) with **Vienna** and me along the Quarter Mile and in the Xerox Wow! Center—is now available (and hilarious, I might add :-)

[Part two](#) highlights include:

- A poetry reading and chats with young festival-goers and **Kathy Lindsley** of University News on the Quarter Mile
- An interview with and performance by Em Dash, featuring RIT's **Babak Elahi** and bandmates
- A chat with RIT Baja team member **Anthony Ascare**
- A lesson in Second Life with RIT communication professor **Sue Barnes**
- Interviews with **President Bill Destler**, Festival Chairman **Barry Culhane** and **Seth Voorhees** of R News

If you missed [part one](#), featuring interviews with the RIT Formula racing team and stops at the Mobilized Robotic Hotdog Assembler, Cube Content: Learning Science in Immersive Environments and RIT University Publications exhibits, it's [still available](#).

Also, be sure to check out more sights from the festival in **Sue Weisler's** new [Imagine RIT Photo Gallery](#).

Have a great weekend!
