[See you in June](#)

Those of you anxiously awaiting our next edition of [News & Events](#) will have to wait a few weeks longer than usual—[News & Events](#) publishes once a month during the summer months. Look for our issues to hit the stands June 21, July 19 and August 23.

This summer schedule isn't the result of a lack of RIT news—in fact, I don't think we've ever had trouble filling an issue—but rather the result of a campus population that "takes a break" during the summer. Many of our readers simply aren't on campus in June, July and August. Many students head home at the end of May, and faculty and staff members take much needed vacations.

Before you know it, the summer will be over and we'll be gearing up for another action-packed academic year—and gearing up for 16 more editions of [News & Events](#).
