

Mobile Phones as a Social Medium for the Deaf

Bruce A. Austin baagl@rit.edu

14 August 2008

You are invited to attend a Master's thesis presentation by Ms. Katelyn Ecker on August 20, 2008 beginning at 2:00 PM in 01-3381. Ms. Ecker, a Communication & Media Technologies student, will discuss her research titled Mobile Phones as a Social Medium for the Deaf: A Uses and Gratifications Study.
