We recently heard from PTC '06 alumna Diana McKee. She writes, "I just accepted a full-time position at an air purification company headquartered in Lansdale, PA, called Met-Pro Corporation. I am the International Exporting Customer Service Representative. I prepare documentation for customs clearance to other countries, and help ensure smooth shipment of our commercial goods." Diana also reports getting ready to start the last year of her master's degree: "I anticipate graduating with a Master of Arts in Biblical Theology in May, 2009."
