Special Recognition (facilitating access for deaf and hard-of- hearing students with secondary disabilities).
This year is the first time special recognition is being given for contributions in promoting and improving access services for deaf and hard of hearing students with secondary disabilities.

Matthew Covington Applied Computer Technology Rogers, Ark.

Dawan L. Albritton Humanitarian Award

In memory of Dawan Albritton whose life as a student at NTID touched many people, this award was established in 1999. It is presented to students who embrace the spirit of NTID with their commitment to education, meeting the challenges of the student experience with tenacity and sharing their lives unselfishly with kindness and a warm smile.

Charmaine Mendonsa Business Technology Queens, N.Y.
