

More DOC Contributors to Innovation News

Bruce A. Austin baagll@rit.edu

21 October 2008

We inadvertently omitted a few Department of Communication undergraduate students who contributed to the Brick City Innovation News broadsheet and web publication (see the 14 October eNewsletter).

We're pleased to recognize Dan Lovria (1st year PTC), Rachel Lorenz (1st year APR), Jonathan Furman (2nd year APR) as published Innovation News reporters and Lynda Redden (3rd year PTC) as an Innovation News editor.
