Two Full-time Professional Positions Available

Bruce A. Austin baagll@rit.edu

6 February 2009

Denison University (OH) seeks an associate director for online communications to manage content development and dissemination to Denison's audiences via static and dynamic Web pages, e-mail, RSS, streaming media and podcasts/vodcasts, as well as other emerging forms of communication. A bachelor's degree is required, along with three to five years of experience in a communications, public relations or marketing setting. Competence with creative and collaborative tools such as Adobe Photoshop, Flash, Illustrator, InDesign and Acrobat; Apple Final Cut and Logic; and other digital content development and delivery applications is preferred. Application instructions and additional information available at <http://employment.denison.edu>.

Columbia University's School of Education (NYC) seeks an assistant director for content and marketing to write, copyedit and proofread all printed and electronic materials used to promote the School and its programs across all media and serve as guardian of all content changes. See web-site for full description of job number 055527 and requirements at
