

Don't Touch the Dial . . . and Save Your Best!

Bruce A. Austin baagl@rit.edu

17 February 2009

As the Winter Quarter draws to a close, this reminder to Professional & Technical Communication, Advertising & Public Relations, and Journalism majors: save your best work for inclusion in your Communication Portfolio.

The research proposal you created for Research Methods, your Senior Thesis, the article you wrote for Reporter, the web site you designed for a professional organization . . . all of these documents and more should go into a folder for later inclusion in your Communication Portfolio.
