Three Department of Communication Lambda Pi Eta honor students volunteered to assist at “Gary the Happy Pirate’s Toy Fund.” 14,000 toys were donated during a one week campaign to the Pirate Toy Fund. On January 10, 2009, our volunteers helped sort these toys at a Rochester, New York warehouse by categories. Shown in the photograph are (from left): Kimberly Reeb (PTC), Ali Bird (APR), Elissa Nyerges (PTC) and Gary “The Happy Pirate.”

Lambda Pi Eta is the National Communication’s honor society and members must possess a 3.0 cumulative grade point average and 3.25 in Communication classes in addition to performing community service.
