March 17, 2009

The Rochester Chapter of the Society for Technical Communication hosts its annual educational conference, Spectrum, on Monday, April 6 through Tuesday, April 7, at the Hyatt Regency Rochester. The event, which celebrates the chapter's 50<sup>th</sup> birthday, offers students an opportunity to learn about current opportunities in technical communication, to network with professionals, and to attend presentations about trends and skills in this varied field.

Learn more about Spectrum 2009, and view the conference program, on the [STC web site](#).
