

Communication Co-ops and Full-time Positions

Bruce A. Austin baagl@rit.edu

24 March 2009

More than two dozen companies are specifically seeking Communication majors for Co-op positions and half as many are searching for Communication graduates to fill full-time professional positions. The firms will all be in attendance at tomorrow's Spring Career Fair. The event begins at 11 a.m. (until 4 p.m.) in the Gordon Field House. For more information: www.rit.edu/careerfair
