

## Marketing Communications Manager Full-time Position

Bruce A. Austin [baagll@rit.edu](mailto:baagll@rit.edu)

22 April 2009

Professional & Technical Communication alumnus Jacqui (Licht) Pittenger (PTC '05) is currently a freelancer and she alerted us to a full-time professional position as Marketing Communications Manager with her firm. As she noted in her email to us, "I know everyone could use some good news about a company that's actually hiring these days." For information on the position:
