

The Coach's Corner (Feb. 20, 2007)

ANNCR: This is "The Coach's Corner" with RIT Tigers hockey coach Wayne Wilson. Here's WYSL 1040's J.C. DeLass.

DELAASS: Coach, I know there's some disappointment not clinching the league title in front of your fans at home last weekend.

WILSON: That was our goal—to win it at home—for no other reason but for our fans. We knew it wasn't going to be easy, and they [Mercyhurst] still have a lot to play for, as does Bentley. So we're just going have to delay it one weekend, and we're going have to be ready to go and win something on the road—and we've been very good on the road all year, so we're looking forward for another opportunity for clinching this weekend.

DELAASS: How about these games this weekend at Bentley—it's a chance to win the league title and also finish the season on a positive note.

WILSON: Yeah, that's true. We'd certainly like to go in there and put our best foot forward. A very difficult place to play in, and normally on any given season, there's only one team that gets to win their last game. With us not eligible to the NCAAs and the only team that's not eligible, there could be two teams this year that could finish it on a winning note. So, I mean, obviously that's our goal, is to finish as strong as we can and finish up what we started all year long and, like I said, we've got out work cut out for us but we're excited about the opportunity.

ANNCR: RIT Tigers hockey all season long on your local sports leader WYSL 1040, and wysl1040.com on the Web.
