Pamela Conley

**Thursday, 6/26/03 -- 4:30 PM**

**Location: LBJ [060] 2nd Floor Street**

**Strand:** Online and Distance Education

**Type:** Poster    **Audience:** College

**Summary:**

This presentation describes an instructional program for students with limited exposure to library resources entering the Liberal Arts Support writing course program. The librarian and writing instructor have collaborated to incorporate online library resources into IdeaTools so that students could advance more rapidly and successfully through the writing courses.
